**RE: Act 127 Registration Pipeline Abandonment**

Dear Mr. Morris:

This letter acknowledges receipt of your notification to the Pennsylvania Public Utility Commission (Commission) on August 25, 2025, regarding the abandonment and deactivation of all Act 127-regulated gathering pipeline facilities previously operated by MDS Gathering LLC.

You note that the pipeline assets associated with Docket No. A-2019-3009238 have been abandoned in accordance with 49 C.F.R. §192.727 (Abandonment or deactivation of facilities), including disconnection from all sources and supplies of gas, purging of gas, and sealing of open ends.

You further state that, as of October 4, 2024, MDS Gathering LLC no longer operates any pipeline facilities subject to Act 127 and have requested that the Commission cancel MDS Gathering LLC's Act 127 registration. Accordingly, the Commission will remove MDS Gathering LLC from its registry of pipeline operators.

The Commission reminds MDS Gathering LLC that, should it acquire jurisdictional assets in the future, it must file an Initial Registration Form with the Commission to ensure compliance with the mandates of Act 127.
