RE: Duplicate Financial Instrument  
Technology Resource Solutions Inc.  
A-2021-3026410

Dear Ms. Rowen:

Please find under cover of this letter the Continuation Certificate filed with the Commission on behalf of Technology Resource Solutions Inc. because it is a duplicate of the document already on file.

The Commission requires a supplier to file a current and active **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

As the financial instrument on file is continuous until cancelled, no further action on your part is required at this time.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher  
Secretary of the Commission
