PARTIES OF RECORD

In re: Application of Gigapower, LLC for approval to alter the public crossing (DOT 859 644 D) by the installation of an aerial fiber optic wireline where Fellows Avenue crosses, at grade, one (1) track of Norfolk Southern Railway Company located in Hanover Township, Luzerne County.

To Whom It May Concern:

The above-captioned application was filed with the Commission requesting approval to alter the public crossing within the right-of-way of the subject highway. *It was noted that the plans provided by the applicant did not comply with Commission overhead (vertical) clearance guidelines pursuant to [52 Pa. Code § 33.121](#). Please see the attached revised plans from the applicant for your review and a copy of the original application/plans.*

It is requested that each party in interest review the application/revised plans and notify the Commission of any objection to the application by November 5, 2025. If no objection to the application is filed with the Commission by the above stated date, the Commission will approve the application permitting Gigapower, LLC to install its facilities through the public crossing listed in this proceeding in accordance with Section 2702, Title 66 of the Pennsylvania Public Utility Code.

All parties are being sent this notice by e-mail. Please eFile any written objections and formal correspondence via <https://efiling.puc.pa.gov> and e-mail a copy to the below address.
