**Subject:** Request for 7-Day Extension to Complete Compliance Requirements  
**Docket No.:** A-2025-3055687

Dear Secretary,

CarePhilly Movers LLC respectfully requests a **7-day extension** to complete the compliance requirements for our Household Goods in Use (HHG) PUC license application.

We have been actively working to complete the insurance process and are currently coordinating with Tri-State to finalize our tariffs. However, we experienced unexpected delays due to an unforeseen illness from COVID, which briefly impacted our ability to finish these remaining steps on schedule.

We are committed to completing all outstanding requirements within this timeframe and appreciate your understanding and consideration of this short extension request.

Sincerely,  
**Alex Tsukanov**
