in the matter of the issuance of a Promissory Note  
to the Pennsylvania Infrastructure Investment Authority

Docket No. S-2025-\_\_\_\_\_

Dear Secretary Homsher:

On behalf of The Pittsburgh Water and Sewer Authority d/b/a Pittsburgh Water (“Pittsburgh Water” or “Authority”),<sup>1</sup> this letter is a request to register an Abbreviated Securities Certificate in connection with a loan from the Pennsylvania Infrastructure Investment Authority (“PENNVEST”) in an amount no greater than \$70,350,208, which is scheduled to close in April 2026. The filing fee of \$25 is being made by ePay.

By this letter, Pittsburgh Water is following the abbreviated procedure for obtaining a Securities Certificate set forth in 52 Pa.Code § 3.602. The following facts are being submitted in support of this Abbreviated Securities Certificate:

1. The name and address of the public utility<sup>2</sup> to which this filing relates is:

---

<sup>1</sup> Water (Municipal), Utility Code: 2220554.

<sup>2</sup> Chapter 32 was added to the Public Utility Code by Act 65 of 2017. Chapter 32 provides, *inter alia*, that unless otherwise provided in Chapter 32, the provisions of the Public Utility Code, except Chapters 11 (relating to certificates of public convenience) and 21 (relating to relations with affiliated interests), shall apply to the Authority in the same manner as a public utility. 66 Pa.C.S. § 3202(a)(1). Chapter 32 of the Public Utility Code, 66 Pa.C.S. §§ 3201 to 3209, does not exempt the Authority from compliance with the requirements of Chapter 19 of the Public Utility Code addressing securities and obligations. *See Implementation of Chapter 32 of the Public Utility Code; RE: Pittsburgh Water And Sewer Authority*, Docket Nos. M-2018-2640802 and M-2018-2640803, Tentative Implementation Order entered January 18, 2018, at p. 29.

3. Pittsburgh Water proposes to issue securities in the form of a Promissory Note to PENNVEST in an amount no greater than \$70,350,208 Pittsburgh Water has applied for and received a funding offer from PENNVEST. That offer is made up of the subject loan of \$70,350,208, which is financed over 30 years. The interest rate on the Promissory Note shall be 1.00% through maturity. Changes to the terms of the Loan, if any, made during closing the Loan are not expected to be material.

4. Pittsburgh Water qualifies for abbreviated treatment under Section 3.602(a)(2) of the Commission's Regulations, 52 Pa.Code § 3.602(a)(2), because PENNVEST is an agency of the Commonwealth of Pennsylvania.

5. The purpose of the PENNVEST Loan is to obtain financing at a favorable interest rate to finance the ongoing replacement of small diameter water mains (non-lead) in the City of Pittsburgh. The Authority intends to replace approximately 58,080 feet of aging 4-inch to 16-inch diameter pipes with new zinc-coated ductile iron pipe. Proactive replacement of aged water lines will reduce line leaks conserving water and ensuring reliable water service. This work is extremely critical to Pittsburgh Water's goal to bring the system into a state of good repair. The replacement of these lines will mitigate public health hazards for customers.

**WHEREFORE**, by this letter, Pittsburgh Water respectfully requests that the Commission register this Abbreviated Securities Certificate pursuant to Chapter 19 of the Public Utility Code.

Sincerely,

*/S/ Carl R. Shultz*
