**Re: UGI Utilities, Inc. - Gas Division and UGI Utilities, Inc. - Electric Division
Universal Service and Energy Conservation Plan for 2026-2030
Docket Nos. M-2025-3054362, et al.**

Dear Secretary Homsher:

On July 24, 2025, the Pennsylvania Public Utility Commission (“Commission”) entered its Order Directing Supplemental Information and Establishing Comment Period, which, among other things, directed parties to file: (1) Comments on the Order within 20 days after UGI Utilities, Inc. – Gas Division and UGI Utilities Inc. – Electric Division (collectively, “UGI”) files its supplemental information; and (2) Reply Comments within 15 days thereafter. On August 12, 2025, the Coalition for Affordable Utility Services and Energy Efficiency in Pennsylvania (“CAUSE-PA”) filed a letter requesting that the deadline to file Comments be extended by 20 days. On August 20, 2025, the Commission issued a Secretarial Letter granting that request. Subsequently, the Company submitted its supplemental information on August 25, 2025, the Commission issued a Secretarial Letter on September 10, 2025, that directed the submission of additional supplemental information by UGI, and the Company filed that additional supplemental information on September 22, 2025. On October 6, 2025, Comments were separately filed by the Office of Consumer Advocate (“OCA”) and CAUSE-PA. Reply Comments are currently due by October 21, 2025.

UGI respectfully requests a 20-day extension of the Reply Comments deadline (i.e., until November 10, 2025). The Comments filed by the OCA and CAUSE-PA are extensive, totaling 56 and 125 pages, respectively, and raise a significant number of recommendations and requests for clarification that UGI must address in its Reply Comments. Without the requested extension,

Matthew L. Homsher, Secretary

UGI will have a very difficult time thoroughly vetting and responding to the other parties' Comments.

Prior to submitting this request, UGI consulted with counsel for the OCA and CAUSE-PA about the requested extension. UGI is authorized to represent that neither party opposes the requested 20-day extension of the Reply Comments deadline. Furthermore, the Commission previously extended the deadline for Comments by 20 days, so UGI's requested extension of the deadline for Reply Comments aligns with that prior extension.

Copies of this filing are being served per the enclosed Certificate of Service.

Respectfully submitted,

Devin Ryan
