RE: Application of Elit Limo, LLC, 400 E. Street Rd., Apt. 72, Feasterville-Trevoise, Bucks County, PA 19053. 929-290-8982

To Whom It May Concern:

The purpose of this Letter is to advise you that your Application, Docket No. A-2025-3057722 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience **WILL NOT BE GRANTED** for the following reason(s):

• **Failure to establish fitness to operate:**

On September 30, 2025, the applicant was issued a detailed 10-day data request seeking an acceptable description of the proposed operating area, evidence that the applicant's intended transportation brokers were certificated to operate within the Commonwealth, revisions to documents which did not obstruct responses, evidence of compliant policies/procedures, information about the number of intended drivers/their suitability for the proposed operating area, evidence of insurance quotes, and verifiable evidence to substantiate the financial position stated in the application. The applicant was notified of the issues to address and was provided with examples of acceptable evidence to support its financial position.

On October 8, 2025, a response was received from the applicant. In the response some clarification was provided on the issues of proposed territory, and the number of proposed drivers. Absent from the applicant's response was the information related to its previously stated brokers, the requested evidence of having obtained insurance quotes, the evidence to substantiate the stated financial position, and the evidence of vehicle registration/ownership.

The applicant's October 8, 2025, filing also failed to rectify the previously cited issues of the applicant providing responses to the Commission verified statement questions over-top of the original question text. As submitted, the over-typed responses rendered much of the applicant's

responses illegible. Additionally, in the portions of the responses which were not obstructed there was no evidence of policies or procedures which were compliant with 52 Pa Code §§ 29.503-29.505.

Absent the previously requested evidence of acceptable policies and finances, the Commission is unable to properly determine that applicant's ability to provide safe, efficient, and reasonable transportation.

For these reasons the application is DISMISSED and DENIED
