**Re: Texas Retail Energy, LLC update to information on file and change of leadership;
Docket No. A-2011-2232249**

Dear Secretary Chiavetta:

On behalf of Texas Retail Energy, LLC (“TRE”), I am writing to update information provide in support of TRE’s technical fitness showing in its original license, as well as to notice of a change in CEO to update leadership information for TRE.

Effective immediately, Mr. Shayne Wahlmeier has been named President and Chairman of the Board of TRE replacing Vishal Kapadia. Contact information for Mr. Wahlmeier is as follows:

Shayne Wahlmeier
Senior Vice President, Walmart Energy
2608 SE J Street
Bentonville, AR 72716
Shayne.Wahlmeier@walmart.com

The resume of Mr. Wahlmeier is enclosed here to demonstrate that TRE continues to possess the requisite managerial, technical, and financial expertise required to maintain its license.

Please do not hesitate to contact me if you have questions regarding this filing. My telephone number is (972) 800-1661 and my email is mcramer@texasretailenergy.com.

Respectfully yours,

A handwritten signature in blue ink that reads "Morgan R. Cramer". The signature is written in a cursive style with a large, stylized "M" and "C".

Morgan Cramer Director - Energy Compliance

EXECUTIVE SUMMARY

Engineering and operations leader with 16+ years of experience driving large-scale transformation across supply chain, automation, and energy systems at Walmart. Proven record of turning complexity into strategy—leading innovation, decarbonization, and technology adoption across one of the world's largest logistics and retail networks. Passionate about building high-performing teams, integrating automation at scale, and advancing renewable energy and electrification initiatives that align business growth with sustainability.

CAREER EXPERIENCE

WALMART INC. | Bentonville, AR (2009 – Present)

Progressive leadership roles in Engineering, Innovation & Energy Transformation across Walmart's global operations.

Senior Vice President, Energy (Jul 2025 – Present)

Leads Walmart's enterprise-wide energy transformation strategy, driving the shift toward renewable energy, electrification, and operational efficiency. Oversees strategic investments in clean energy and resilience initiatives aligning sustainability with business growth.

Vice President, Innovation & Automation (Jan 2022 – Jul 2025)

Directed automation and advanced technology strategy across Walmart's supply chain and fulfillment network. Partnered with global engineering and technology teams to scale robotics, AI, and process automation.

Vice President, Supply Chain Engineering – Distribution (Aug 2020 – Jan 2022)

Led design and deployment of next-generation automated distribution centers, integrating robotics and analytics to enhance throughput.

Senior Director II, Supply Chain Engineering – Ambient Network (Dec 2019 – Aug 2020)

Directed automation strategy and capital planning for Walmart's ambient (dry goods) network.

Senior Director, Supply Chain Engineering – Automation Strategy (Apr 2018 – Dec 2019)

Delivered Walmart's first fully automated perishable DC and developed automation roadmaps across perishable, ambient, and consolidation networks.

Senior Director, Supply Chain Product & Engineering – eCommerce (Sep 2016 – Apr 2018)

Managed engineering, product, and analytics teams optimizing fulfillment operations and WMS efficiency.

Director, Supply Chain Engineering – eCommerce (Apr 2014 – Sep 2016)

Oversaw design and launch of eCommerce fulfillment centers (>\$500M capital), introducing robotics pilots and WMS modernization.

Earlier Roles: Senior Manager & Project Manager – Grocery (2011–2014); Engineer – Grocery Network (2009–2011)

PEPSICO | Merchandiser & Inventory Manager (2006 – 2009)

Managed merchandising and logistics for major retail accounts, improving in-store efficiency and inventory control.
