3. Our purpose in contacting you is to provide notice that Loop is requesting an extension of the installation deadline. This action is necessary due to supply chain delays and approval delays with Penn DOT. Loop is requesting an additional 12 months for this project to be completed. The proposed completion date will be prior to October 1, 2026.

Thank you for your assistance in reviewing Loop's planned installation at this location. I look forward to working with you as Eagle 1 Resources, LLC provides consultant management services to our customers. If you need to discuss this matter further, please contact me at the telephone numbers listed below.

Sincerely,

**David L. Thomas**
