QUESTION 4

Has FirstEnergy changed its disposition on the application filed by CH Renewables Acquisitions, LLC, for the REPA Breezewood Hills Solar LLC location? If so, when did this occur?

Response:

The Company has not changed its disposition on the application filed by CH Renewables Acquisitions, LLC for the REPA Breezewood Hills Solar LLC location. By way of further answer, the Company requested that revisions be made to the application to provide for the current/estimated annual energy consumption and the estimated annual energy production values. Revisions were received on September 18, 2025. The application was then reviewed to examine the project’s proximity to a rural electric cooperative (“REC”). On October 16, 2025, the Company conferred with the REC, and it was determined that the project will be served by the Company. The application was deemed clerically complete on October 17, 2025, and will be filed for Commission approval. The Company will schedule a scoping call for the project.

QUESTION 6

Has FirstEnergy changed its disposition on the application filed by CH Renewables Acquisitions, LLC, for the REPA Huckleberry Ridge Solar LLC location? If so, when did this occur?

Response:

The Company has not changed its disposition on the application filed by CH Renewables Acquisitions, LLC for the REPA Huckleberry Ridge Solar LLC location. By way of further answer, this project has two applications. The Company requested that revisions be made to the first application to correct inverter information on the site plan and to correct voltage information on the application's single line drawing. The Company has not received the requested revisions. The second application was deemed clerically complete on October 16, 2025, and will be filed for Commission approval. The Company will schedule a scoping call for the project.
