**MOTION OF PPL ELECTRIC UTILITIES CORPRATION TO
CONVERT HEARING TO PREHEARING CONFERENCE**

TO ADMINISTRATIVE LAW JUDGE F. JOSEPH BRADY:

PPL Electric Utilities Corporation (“PPL Electric” or the “Company”) files this Motion pursuant to Section 5.103 of the Pennsylvania Public Utility Commission’s (“Commission”) regulations, 52 Pa. Code § 5.103, and requests that the evidentiary hearing scheduled for Tuesday, November 25, 2025, in the above-captioned proceeding be converted to a prehearing conference. Prior to filing the instant Motion, counsel for PPL Electric contacted Shionna Spence (“Complainant”) about the proposed conversion of the hearing to a prehearing conference. As of the date of filing of this Motion, the Complainant has not responded.

In support of the instant Motion, PPL Electric states as follows:

D) MOTION

1. PPL Electric is a public utility that provides electric distribution, transmission, and last resort services in Pennsylvania subject to the regulatory jurisdiction of the Pennsylvania Public Utility Commission (“Commission”) and the Federal Energy Regulatory Commission.

2. PPL Electric furnishes electric service to approximately 1.5 million customers throughout its certificated service territory, which includes all or portions of 29 counties and encompasses approximately 10,000 square miles in eastern and central Pennsylvania.

3. PPL Electric is a “public utility” and an “electric distribution company” as defined in Sections 102 and 2803 of the Pennsylvania Public Utility Code, 66 Pa. C.S. §§ 102, 2803.

4. On July 30, 2025, PPL Electric was served with the above-captioned Complaint. In the Complaint, the Complainant avers that she wants a payment arrangement and has been having financial difficulties. *See* Complaint ¶ 5.

5. On August 19, 2025, PPL Electric timely filed an Answer and New Matter to the Complaint, admitting in part and denying in part the factual basis of the Complainant’s allegations.

6. On September 26, 2025, a Telephonic Hearing Notice was issued by the Commission scheduling an evidentiary hearing for 10:00 a.m., November 25, 2025. On September 29, 2025, Administrative Law Judge F. Joseph Brady issued a Prehearing Order for the Telephonic Hearing.

7. The electric service account at issue is a small commercial account in the name of Shionna LLC that receives service under Rate Schedule GS-3.

8. This case does not concern a residential electric service account in the Complainant’s name.

9. While individuals can represent themselves *pro se* in Commission proceedings, individuals cannot represent businesses in adversarial proceedings, such as Formal Complaint proceedings. *See* 52 Pa. Code § 1.21(a)-(b).

10. Rather, under 52 Pa. Code §§ 1.21 and 1.22, a company must have an attorney licensed to practice law in the Commonwealth of Pennsylvania represent them in such proceedings.

11. Therefore, Shionna LLC requires legal representation in this proceeding.

12. According to the Complaint, Shionna LLC is not represented by counsel, but by a non-attorney representative of the company. *See* Complaint ¶¶ 1, 10-11.

13. Further, no attorney has entered an appearance to represent Shionna LLC in this proceeding pursuant to the September 29, 2025 Prehearing Order. *See* Prehearing Order ¶ 7.

14. By converting the presently scheduled evidentiary hearing into a Prehearing Conference, the parties will be afforded the opportunity to establish a deadline by which counsel must enter an appearance on behalf of Shionna LLC.

15. Further, because the litigation cannot move forward without an attorney representing Shionna LLC, the Company's request will help the parties and Commission conserve time and administrative resources.

16. Lastly, the requested Prehearing Conference will enable the parties to have productive discussions about a payment agreement, which could reduce the length, or the necessity, of the evidentiary hearing.

17. Counsel for PPL Electric has attempted contact with the Complainant by phone and email for purposes of obtaining settlement and seeking non-opposition to this instant Motion.

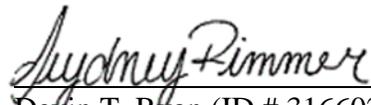

18. To date, the Complainant has not responded.

19. For these reasons, PPL Electric respectfully requests that the hearing scheduled for November 25, 2025, be converted to a prehearing conference.

II) CONCLUSION

WHEREFORE, PPL Electric respectfully requests that the telephonic evidentiary hearing scheduled in the above-captioned proceeding for November 25, 2025, be converted to a prehearing conference.

Respectfully submitted,
