**INTERIM ORDER
SCHEDULING A STATUS CONFERENCE**

Continuances were granted on June 16, 2025, and July 7, 2025, and July 24, 2025, September 29, 2025, to provide the parties to pursue potential resolution of their dispute.

On October 2, 2025, counsel for Peoples filed a status report noting that Peoples and the Complainant continue to work toward resolving the complaint but need additional time to complete a construction project to ensure that the Complainant’s issues are adequately addressed. Peoples reports that the mainline extension necessary to split the service at the property from one shared customer-owned service line into two, is under way and Peoples expects to complete the work within the next two weeks. Peoples stated that counsel was communicating with the Complainant and the adjoining property owner, to ensure customer-side plumbing and ancillary work will be ready to make the new connection. Therefore, Peoples and the Complainant requested a further continuance. By interim order entered on October 6, 2025, I granted the request for a continuance and directed Peoples to file a joint status report on or before October 17, 2025.

To date, neither a status report nor a certificate of satisfaction has been filed.

THEREFORE,

IT IS ORDERED:

1. That a status conference shall be scheduled.

2. That the Parties shall be prepared to discuss the status of the work being done at the Complainant's location and to propose further proceedings, if necessary.

Date: October 27, 2025
