In regard to your communication network, please explain how you will receive customer requests for transportation, how you will dispatch the vehicles to fulfill the request, and how you will maintain continuous communication with your drivers.

we maintain vehicles and keep records and standard business documentation digitally and in hard copy. Files are organized by category (e.g., trip logs, driver files, maintenance records, insurance documents) and stored securely with regular backups.

Communication Network:

Customer transportation requests are received via phone and broker platforms.

Dispatching is managed through scheduling software that assigns trips based on location, availability, and urgency.

We maintain continuous communication with drivers using mobile devices and GPS tracking, ensuring real-time updaand efficient coordination.

5. Please state the number of drivers you intend to use or hire in your business and explain why that number of drivers is appropriate for the size of the territory you will be serving. In addition, please explain:
- a. Your hiring standards for drivers;
 - b. Your system for conducting criminal background checks;
 - c. Your driver training program;
 - d. Your system for conducting driver license checks;
 - e. Your policies regarding alcohol and drug use by your drivers.

We conduct annual background checks and motor vehicle record reviews for all drivers using the Checkr system.

In addition, we perform alcohol and drug testing, OIG exclusion checks, and sex offender registry screenings to ensure full compliance and safety.

All drivers are required to complete CPR certification, PASS (Passenger Assistance Safety and Sensitivity) training, and defensive driving courses.

These measures ensure our team is well-prepared to deliver safe, reliable, and compassionate transportation services.
