**RE: PECO Energy Company's 2019-2028 Universal Service and Energy Conservation Plan – Rate Case and LIHEAP Data Sharing
Docket No.M-2018-3005795**

On September 17, 2025, PECO Energy Company (PECO) filed an updated version of its 2019-2028 Universal Service and Energy Conservation Plan (2019 USECP).¹ For the sake of clarity, we have deemed that filing to be a petition (2025 Petition) to amend PECO's existing 2019 USECP. The 2025 Petition includes a redlined version of the 2019 USECP as Exhibit A indicating the proposed updates (Proposed Amended 2019 USECP). The 2025 Petition was served on the Office of Consumer Advocate, the Office of Small Business Advocate, the Pennsylvania Utility Law Project, and the Commission's Bureau of Investigation and Enforcement. The 2025 Petition addresses three general proposals:

Revisions to PECO's data sharing process from the approved process initially submitted in its July 31, 2024 Letter. 2025 Petition at 1-2; Proposed Amended 2019 USECP at 5-6.

Updates made in response to the Commission's final orders in PECO's recent electric and gas base rate proceedings at *Pa. PUC, et al. v. PECO-Electric Division*, Docket Nos. R-2024-3046931, *et al.*, (December 12, 2024), and *Pa. PUC, et al. v. PECO-Gas Division*, Docket Nos. R-2024-3046932, *et al.*, (December 12, 2024). 2025 Petition at 2.

Clarifying edits and administrative updates. 2025 Petition at 3.

On September 29, 2025, the Tenant Union Representative Network (TURN) and the Coalition for Affordable Utility Services and Energy Efficiency in Pennsylvania (CAUSE-PA) filed a joint answer (TURN/CAUSE-PA Answer) opposing changes to the data sharing process in PECO's Proposed Amended 2019 USECP. To date, the Commission has received no responses to the TURN/CAUSE-PA Answer.

¹ PECO's 2019 USECP was conditionally approved by Commission Order entered at this docket on June 16, 2022, and approved by Secretarial Letter issued on August 23, 2022. An amendment was subsequently approved by Commission Order entered on December 7, 2023. *PECO's 2019-2028 USECP*, Docket No. M-2018-3005795, and *PECO Petition to Amend 2019-2028 USECP*, Docket No. p-2023-3044156 (Order entered on December 7, 2023), <https://www.puc.pa.gov/pcdocs/1808162.pdf>. On July 31, 2024, PECO filed a letter at its 2019 USECP docket reflecting its proposed LIHEAP Data Sharing plans (July 31, 2024 Letter). On September 9, 2024, by Secretarial Letter, Commission staff determined that PECO's planned participation in LIHEAP Data Sharing was substantially compliant with the *2023 Review of All Jurisdictional Fixed Utilities' Universal Service Programs*, Docket No. M-2023-3038944 (June 13, 2024). <https://www.puc.pa.gov/pcdocs/1847857.pdf>. There were no requests for reconsideration of the staff determination. PECO's 2019 USECP remains in effect, as may be modified from time to time, until replaced.

Accordingly, PECO and other stakeholders are notified that they may respond to the TURN/CAUSE-PA Answer within ten (10) days of the date of this letter. The Commission will consider the matter upon conclusion of the response period. If no responses are received, it will proceed based on the existing record.
