FORT COLLINS, CO 80524

Re: Application of The Landline Company for Common Carrier of Persons in Group and Party Service in vehicles seating more than 15,
113 S College Avenue, Fort Collins, Colorado, 80524. (888) 428-1149.

To whom it may concern:

Your application for the right to provide common carrier service, transporting persons in group and party service, using vehicles seating more than 15 passengers, including the driver, have been reviewed. A certificate of public convenience with **PUC No. A-6428365** shall issue only upon compliance.

It has been determined that the following requirements must be met before service may be provided within Pennsylvania. **You may not operate until these requirements are satisfied.**

YOU ARE ADVISED: THAT YOU MUST FILE A FORM E AS EVIDENCE OF BODILY INJURY AND PROPERTY DAMAGE LIABILITY INSURANCE. You must contact your insurance agent/broker so that the required evidence of permanent insurance will be filed with this Commission.

An acceptable **Form E** filed by an insurance company which is binding evidence of bodily injury liability insurance. **Your insurance company must file these forms with the exact name of the applicant as it appears on this Letter – The Landline Company. The State MC A-6428365** must be listed to identify your account. All service types covered by this policy must be listed. Insurance filings are accepted online via Tyler Insurance filings at www.tylerinsurancefilings.com.

Applicants are responsible for monitoring their account online. You can do this by visiting the following web address: <https://www.puc.pa.gov/search/utility-authority-search/>. Enter your company name, click submit, then click on your utility code hyperlink. Navigate to the “Insurance Info” tab, where you can view accepted forms.

FAILURE TO FILE THE ABOVE REQUIRED EVIDENCE OF INSURANCE WITHIN SIXTY (60) DAYS OF THE DATE OF THIS LETTER CAN RESULT IN THE DISMISSAL OF THE APPLICATION AND REQUIRE THE FILING OF A NEW APPLICATION AND FILING FEE.

Upon the filing of permanent proof of insurance and upon compliance with any other provision of this letter, a certificate of public convenience will be issued authorizing the following right:

To transport, as a motor common carrier, persons in group and party service, operating vehicles with a seating capacity of more than 15 passengers, including the driver, between points in Pennsylvania, excluding service that is under the jurisdiction of the Philadelphia Parking Authority.

Act 94 of 2004 transferred regulatory oversight of Philadelphia medallion taxicabs and various other types of passenger carriers serving Philadelphia, from this Commission to the Philadelphia Parking Authority. Act 94 was effective on April 10, 2005. The applicant has applied for authority, part of which now falls under the jurisdiction of the Philadelphia Parking Authority. The Commission does not have jurisdiction to approve that part of the applicant's requested authority that includes service now regulated by the Philadelphia Parking Authority. Therefore, only the service regulated by the Commission is approved. The applicant must apply with the Philadelphia parking Authority to provide service:

- (1) from points in Philadelphia to any airport, railroad station or hotel located in whole or in part in Philadelphia, and
- (2) from any airport, railroad station or hotel located in whole or in part in Philadelphia.

If you have not previously submitted a copy of a current satisfactory safety rating from the U.S. Department of Transportation or another state with safety regulations comparable to Pennsylvania, you must demonstrate safety fitness by completing a Safety Fitness Review which will be scheduled by a PUC enforcement officer within 180 days of the date your certificate of public convenience is issued/entered. **Failure to submit to the Safety Fitness Review will result in dismissal of your application and require the filing of a new application and filing fee.** Questions concerning the Safety Fitness Review may be directed to the Safety Office at 717-787-7598. An overview of the safety regulations for carriers of people, property, and household goods between points in Pennsylvania can be found on the PUC's Website.

The applicant is hereby advised of its obligation to familiarize itself with the requirements of 52 Pa. Code as applicable to the operation of a common carrier as authorized by this Secretarial Letter. Applicant is further advised that failure to comply with all applicable requirements may subject the carrier to penalties, including fines, suspension of operating rights, or cancellation of its authority. Title 52 of the Pennsylvania Code is available online at www.pacode.com.

Any PUC motor carrier who needs to submit a change of address to the Public Utility Commission, can obtain the Change of Address form from the PUC Website.

Sincerely,

A handwritten signature in black ink, reading "Matthew L. Homsher". The signature is fluid and cursive, with the first name "Matthew" being the most prominent part.
