Request for Information

- 1.) You applied to provide Call or Demand (Taxi) service. Do you intend to install a TAXI dome light on your vehicle and install a taxi meter to calculate fares. If not, then you should amend your authority to that of Paratransit. If so, then you will need to file a response to this data request stating that you wish to change your authority from Call or Demand to Paratransit. You will also need to complete a Paratransit application, which can be found on our website at:
https://www.puc.pa.gov/documents/utility-files/432/App_MC_Persons_Paratransit_Service120621.pdf
- 2.) You failed to adequately answer question #4 of the Verified Statement.
 - a. Please more thoroughly describe the physical location to be utilized, including any office machines that will be utilized.
 - b. Please include a description of the facility used to house vehicles.
 - c. Please include an explanation of your plan to maintain records required by the PUC, as well as normal business records.
 - d. Please explain how you will receive customer requests for transportation.
- 3.) You failed to adequately answer all aspects of question #5 of the Verified Statement of Applicant. You may wish to operate as an owner operator, but the Commission needs to know that you have compliant policies/plans for the hiring/employment of drivers, should ever you choose to expand once you have gained a Certificate of Public Convenience, or not. **Please review Title 52 Pa Code §29.501-509 Driver Regulations to see what is required of motor carriers.**
 - a. Please explain your hiring standards for drivers; **(Title 52 Pa Code §29.503 – Age Restrictions)**
 - i. Are there any age restrictions?
 - b. Your system for conducting criminal background checks; **(Title 52 Pa Code §29.505 – Criminal History)**

 - e. Your policies regarding alcohol and drug use by your drivers.
- 4.) Other than oil changes every 6,000 miles, what other periodic vehicle maintenance will be performed on your vehicle(s). Please provide a comprehensive list of periodic maintenance to be performed along with the schedule with which it will be performed.
- 5.) Will you conduct any pre/post trip inspections of your vehicle(s).
- 6.) A vehicle used in Call or Demand service may pass a state inspection but not comply with the Commission regulations regarding age/or mileage, so stating that a vehicle will be replaced when it does not pass state inspection is not sufficient. Please provide an acceptable system for ensuring that vehicles which no longer meet vehicle age and/or vehicle mileage requirements are replaced in a timely fashion. (Please note, if you file a Paratransit application this answer is not required, as this question only deals with vehicles used in Call or Demand service)
