Re: MAW Communications, Inc. (Company)  
2024 Pennsylvania Universal Service Fund (Pa. USF) Carrier Compliance Review Report

Dear Mr. Wiczkowski:

Pursuant to the Pennsylvania Public Utility Commission's *2023 Pa. USF Annual Rate Adjustment Order*,<sup>1</sup> the Pa. USF Administrator, Rolka Loube Saltzer, LLC (Rolka Loube) conducted a carrier compliance review of the Company to ensure that the Company's PaUSF filings were compliant with the Commission's regulations, at 52 Pa. Code §§ 63.161-63.171. Commission Staff has reviewed the Carrier Review Report (Report) for the Company, which was submitted to the Commission by Rolka Loube on July 29, 2025. In the Report, Rolka Loube states that it cannot confirm the Company's *de minimis* status based on its retail revenue reporting for the 2023 calendar year. Additionally, the Company indicated that it had sold its network assets to Keystone Metro Fiber, LLC, in August 2023 which represented one hundred percent of the Company's network located in and around Reading, Pennsylvania, as of August 2023. Rolka Loube was unable to locate any proceeding dealing with the sale and transfer of these assets.

Approval of such an asset transfer requires Commission approval prior to the transaction being carried out. Keystone Metro Fiber, LLC and the Company must file an application, *nunc pro tunc*, requesting approval of the transfer pursuant to the Pennsylvania Public Utility Code, 66 Pa. C.S. §§ 1102-1103, the Commission's Statement of Policy regarding Utility Stock Transfers at 52 Pa. Code § 69.901, and its Abbreviated Procedures for Review of Transfer of Control of Telecommunications Public Utilities, at 52 Pa. Code §§ 63.321-63.325, lest the Commission impose penalties under the law, including but not limited to the imposition of fines or the revocation of certificates of public convenience. The Company is hereby put on notice.

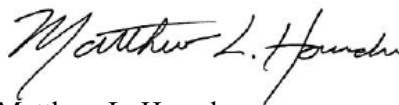

In accordance with the *2023 Pa. USF Annual Rate Adjustment Order* and applicable Commission regulations, the Report is approved. The Company shall file confirmation of the foregoing items with the Commission at the above docket within 60 days of the date of this letter. Upon the Company's filing of confirmation with the Commission, this docket will be closed.
