Re: Everstream Solutions LLC (Company)
2024 Pennsylvania Universal Service Fund (Pa. USF) Carrier Compliance Review Report

Dear Ms. Jaketic:

Pursuant to the Pennsylvania Public Utility Commission's (Commission) *2023 Pa. USF Annual Rate Adjustment Order*,¹ the Pa. USF Administrator, Rolka Loube Saltzer, LLC (Rolka Loube), conducted a carrier compliance review of the Company to ensure that the Company's Pa. USF filings were compliant with the Commission's Pa. USF regulations, at 52 Pa. Code §§ 63.161-63.171. Commission Staff has reviewed the Carrier Review Report (Report) for the Company, which was submitted to the Commission by Rolka Loube on September 24, 2025. In the Report, Rolka Loube states that following the issuance of a preliminary draft of the Report, Everstream drastically revised its Pa. USF revenue reporting for the 2023 calendar year. However, Rolka Loube states that it cannot readily validate or confirm on a standalone basis Everstream's jurisdictional redesignations or reclassifications of services from what was initially reported for the 2023 calendar year. Consequently, Rolka Loube further states that it cannot confirm that the Company can be relieved of its relevant Pa. USF mechanism obligations as a contributing telecommunications carrier. Accordingly, Rolka Loube recommends that the Company file an appropriate petition for relief with the Commission regarding its revised intrastate revenue reporting methodology and its Pa. USF obligations for the 2023 calendar year and subsequent reporting years.

In accordance with the *2023 Pa. USF Annual Rate Adjustment Order* and applicable Commission regulations, the Commission accepts the Report of Rolka Loube. Unless or until the Company seeks relief based on the recommendation in the Report of Rolka Loube, further action by the Commission does not appear warranted at this time as the Company is current with its Pa. USF assessment payments. As such, the Commission directs Rolka Loube to reject Everstream's revised filing for the 2023 calendar year, which was submitted to Rolka Loube in response to the preliminary draft of the Report. Accordingly, this docket will be closed.

If you are dissatisfied with the resolution of this matter, you may file a petition with the Commission, as set forth in 52 Pa. Code § 5.44, within 20 days of the date of this letter. If you have questions in this matter, please contact Ryan Kravitz, Telco Section, Bureau of Technical Utility Services at (717) 783-5941 or rykravitz@pa.gov.

Sincerely,

Matthew L. Homsher
Secretary
