RE: Docket No. A-2022-3035532
Lansdale Train Station Area- Sidewalk Improvements Project
Borough of Lansdale, Montgomery County

Dear Mr. DiCarlantonio,

The Pedestrian Improvements across the railroad at-grade crossing project, which is beyond Borough Right-of-Way, has been postponed to coordinate the pedestrian upgrades with SEPTA's new railroad gate modernization project. The Borough of Lansdale would like to petition the Public Utility Commission to extend the completion date until December 31st, 2029.

Should you have any questions regarding this matter, please feel free to contact me at your convenience.

Sincerely,

John J. Ernst
Borough Manager
