Re: Letter of Notification of PECO Energy Company for Construction of the 220-80 230 kV Transmission Line and 220-101 230 kV Transmission Line Located in Montgomery County, Pennsylvania.

Dear Mr. Kulak:

On September 9, 2025, PECO Energy Company (PECO) filed a Letter of Notification for approval to construct the 220-80 230 kV Transmission Line and 220-101 230 kV Transmission Line in Montgomery County, Pennsylvania. In order for us to complete our analysis of the subject application, the Bureau of Technical Utility Services requires answers to the enclosed data requests. This information is necessary for completion of our review of the filing.

Please forward the requested information to the Secretary of the Commission **within ten (10) days** of receipt of this letter. Failure to respond may result in the Letter of Notification being denied. As well, if PECO has decided to withdraw its filing, please reply notifying the Commission of such a decision.

All documents requiring notary stamps must have original signatures. The Commission strongly encourages submission through efilings with the Secretary of the Commission by opening an efilings account through the Commission's website and accepting eservice at <https://efiling.puc.pa.gov>. The Commission is accepting all public documents through our efilings system at this time.

If your filing contains confidential material, you are required to either file by overnight delivery or submit to the Secretary's Share Point File system to ensure the timely filing of your submission. Filers should contact the Secretary's Bureau in advance to gain access to the Share Point File system. Make sure to reference the Docket Number listed above when filing your response and mark the materials "CONFIDENTIAL" in bold or highlighted manner if any of the requested information is deemed to be of a confidential nature.

The overnight address for hard-copy or confidential responses is:

Matthew L. Homsher, Secretary
Pennsylvania Public Utility Commission
400 North Street, 2nd Floor
Harrisburg, PA 17120

Your answers should be verified per 52 Pa Code § 1.36. Accordingly, you must provide the following statement with your responses:

I, [print name of appropriate company representative], hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa. C.S. § 4904 (relating to unsworn falsification to authorities).

Title _____

Date _____

In addition, to expedite analysis of the Letter of Notification, send a copy of your response to Jordan Van Order at jvanorder@pa.gov. If any problems arise that prevent a full timely response or if any clarification of these data requests is needed, contact Jordan Van Order, Bureau of Technical Utility Services, at jvanorder@pa.gov (preferred) or 717-787-8763.

Sincerely,

Matthew L. Homsher
Secretary

Docket Nos. A-2025-3057320 & P-2025-3057330

- A-5 Reference the Petition, paragraph 8. Please provide a copy of the Agreement in Lieu of Zoning, SALDO, and Subdivision Application/Approval dated March 13, 2025.
- A-6 Reference the Petition, Paragraph 9. Please explain what impact, if any, the control building to be constructed at the Forge Springs Substation will have on the natural environment, including on: (a) air quality, (b) water quality, (c) noise, and (d) any other environment-related area relevant to the construction of the control building.
- A-7 Reference the Petition, Paragraph 9. To the extent the control building to be constructed at the Forge Springs Substation will adversely impact the natural environment, please explain what measures, if any, PECO has taken or intends to take to mitigate that impact.
- A-8 Reference the Petition, Paragraph 10. Please explain whether any approvals are needed from any other state agencies or any federal agencies related to the environmental impact of the control building to be constructed at the Forge Springs Substation. If so, please state whether such approvals have been obtained and if so, when such approvals were obtained. If necessary approvals have not yet been obtained, please explain why and when they will be obtained.
