**Re: Docket Number R-2025-3057164  
PPL Electric Utilities Corp. - Public Input Hearing Requested in Lehigh County - PA 133<sup>rd</sup>  
House District**

Dear Secretary Homsher,

I am writing to request that the Pennsylvania Public Utility Commission hold a hearing within my state House district (133<sup>rd</sup>) regarding PPL's recent request for a rate increase (Docket # R-2025-3057164). Over the last two years, my constituents have seen increases in their property taxes, garbage fees, cable prices, and numerous other fees. Now they are facing a large increase in their electric bills.

They have a right to be heard on the economic impact this will have on their lives, and I want them to have that chance.

Again, I respectfully request that the Commission schedule a hearing within the 133<sup>rd</sup> state House District. The boroughs of Catasauqua, Coplay, and Fountain Hill, as well as the townships of Hanover (Lehigh County) and Whitehall could all provide venues for a hearing. I also represent a portion of the City of Bethlehem, but I am sure my colleagues who also represent Bethlehem have already approached you about holding a hearing there. I would be glad to work with you to find a suitable location (centrally located, ADA compliant, and ample, free parking).

Thank you for your thoughtful consideration of this request and I look forward to hearing from you regarding it.

Sincerely,

A handwritten signature in cursive script that reads "Jeanne McNeill".
