Dear Mr. English:

Confirming our telephone conversation this is to advise you that you are authorized in the relocation of your lines on Tinicum-Island Road to utilize a portion of airport property for the erection of some of the poles associated with this relocation.

In view of the fact that the relocation of the line will amongst other things, assist in the construction program we will not charge the Philadelphia Electric Company any fee for the occupation of this portion of airport property referred to above.

Very truly yours,
