SECOND Request for Information

- 1.) The application you have submitted is written as if you are currently providing transportation services. Under what authority are these services provided? Who are you providing these services to? Who will reimburse you? Is a broker involved?
- 2.) The responses to questions 5(a), 5(b), 5(c), 5(d) and 5(e) of the verified statements are insufficient. **Title 52 Pa. Code § 29 provides detailed requirements. Please provide a system which incorporates code specified compliance requirements for frequency and retention of records.** Each of your answers to sections of this question were insufficient:
 - § 29.503. Age restrictions.
 - § 29.504. Driver history
 - § 29.505. Criminal history.

The purpose of the verified statement questions is to determine your ability to provide safe, efficient, and reasonable transportation. It is in your best interest to provide accurate, complete, and timely responses. Failure to do so is sufficient grounds to justify the denial of your application because you have failed to provide sufficient evidence of your fitness to operate. Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier related proceedings is highly encouraged.
