A-2025-3058316-AEL-11/4/25

Hi. I sent an application for a puc number in on Wednesday October 29 2025. When I went to pay it did not accept my payment and it did not reload the page to pay. But it did give me a confirmation number for application e-filing. So they told me to type this letter and then try paying when I file it. So this payment is for e-filing confirmation # 2894894.
