Re: *Evitts Solar, LLC v.*
FirstEnergy Pennsylvania Electric Company
Docket No.: C-2025-3056787

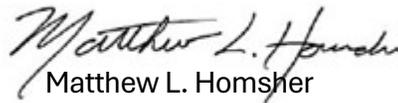

Dear Parties:

On September 19, 2025, FirstEnergy Pennsylvania Electric Company (FirstEnergy) filed a Second Letter Request for an additional 20-day extension (until October 13, 2025) to file a response to Evitts Solar, LLC's Formal Complaint. The original response was due September 2, 2025. In its Second Letter Request, FirstEnergy averred that the parties were actively seeking a non-adjudicative resolution to the case and that, in order to facilitate the pending settlement discussions, an additional extension was necessary.

It has come to my attention that the Commission has not yet ruled on the September 19, 2025 Letter Request for an extension. It has also come to my attention that the parties are continuing to engage in settlement discussions. In particular, it is further noted that Evitts Solar, LLC concurs with the Second Letter Request for a further extension. In light of the above, FirstEnergy is hereby granted a second extension of time to file its Answer to the above captioned Formal Complaint.

FirstEnergy's Answer and any other responsive pleadings are due to be filed with the Commission by the close of business (4:30 p.m. EST) on November 18, 2025.

Very truly yours,

Matthew L. Homsher
Secretary
