Docket No. A-2025-3057316
Provision Power and Gas, LLC
Data Request #1

Reference Application, Section 5.b, and c, Compliance – Applicant only listed an incidence of filing a late NGS Annual Revenue Report with the Pennsylvania Commission in 2021. However, there appear to be filings in at least one jurisdiction against the applicant and/or people named in the application. Of note is a case filed in the Texas Southern Bankruptcy Court related to CarbonBetter, LLC, at Case No. 4:2024bk90586. If this case involves either the applicant and/or people listed in the application, please resubmit the application with Sections 5.b and c fully disclosed. Applicant must list and identify all such proceedings (active or closed within the last five years), by name, subject and citation; whether before an administrative body or in a judicial forum. Provide a statement as to the resolution or present status of any such proceedings listed.

Response:

Neither the Applicant, Provision Power and Gas, LLC, CarbonBetter, LLC, nor any individuals named in the Application have filed for bankruptcy or been the subject of a bankruptcy proceeding in the last five years. For clarity, the Applicant notes that CarbonBetter, LLC was a supplier to an unaffiliated entity that filed for bankruptcy in Case No. 4:2024bk90586. Accordingly, no disclosure under Sections 5.b and 5.c of the Application is required with respect to the Applicant or people listed in the Application.
