This filing for an abbreviated certificate is being submitted for each Registrant. In accordance with 52 Pa. Code § 1.34(a), Level 3 LLC, the first registrant to file, **respectfully requests that the \$25.00 filing fee apply for all entities listed herein as a single related transaction.** The filing fee is being made by ePay.

III. DESCRIPTION OF THE FINANCING ARRANGEMENTS

A. Broad Description of the Debt Financing.

Registrants are subsidiaries of Lumen. On October 31, 2024, the Registrants and certain affiliates, including CenturyLink Communications, LLC (“**CenturyLink**”),¹ and completed debt financing arrangements pursuant to authority granted by the Commission in Docket Nos. S-2024-3049076, S-2024-3049079, S-2024-3049080, S-2024-3049081, S-2024-3049082, S-2024-3049083, S-2024-3049084, and S-2024-3049085 (the “**2024 TSA Financing**”), resulting from a restructuring process with creditors holding over \$15 billion of outstanding indebtedness of Lumen and subsidiaries, including certain amounts guaranteed and collateralized by the Registrants.²

¹ CenturyLink is certificated to provide local exchange and interexchange telecommunications services pursuant to authority that was originally granted to Qwest Communication Corporation, December 20, 1999, in Docket Nos. A-310189F0004 and A-310189F002 on May 28, 1996.

² See, *Abbreviated Securities Certificate of CenturyLink Communications, LLC, Level 3 Communications, LLC, Broadwing Communications, LLC, Global Crossing Telecommunications, Inc., Global Crossing Local Services, Inc., Level 3 Telecom Data Services, LLC, TelCove Operations, LLC, and WilTel Communications, LLC*, Docket Nos. S-2024-3049076, S-2024-3049079, S-2024-3049080, S-2024-3049081, S-2024-3049082, S-2024-3049083, S-2024-3049084, and S-2024-3049085 (“**2024 TSA Abbreviated Securities Certificate**”), which the Commission deemed to have been registered in letter dated June 6, 2024 (“**2024 TSA Financing Order**”).

Registrants and CenturyLink also completed additional debt financing arrangements pursuant to authority granted by the Commission in Docket Nos. S-2025-3053851, S-2025-3053852, S-2025-3053853, S-2025-3053854, S-2025-3053855, S-2025-3053856, S-2025-3053857, and S-2025-3053859 involving the debt-for-debt exchange of debt with near term maturity dates (the “**Note Refinancing**”).³

During the period following the 2024 TSA Financing, Level 3 Financing entered into additional debt transactions (beyond the Note Refinancing) to obtain more favorable interest rates and extend the maturity dates of certain debt to more favorable terms. The Registrants hereby request Commission approval upon receipt of the required regulatory approvals: (a) to act as a guarantor and (b) to have their respective assets and equity pledged in support of the following new Financing Arrangements (i) amendments to the term loan Credit Agreement dated as of March 22, 2024 approved in the 2024 TSA Financing Order (the “**2024 Level 3 Credit Agreement**”) with respect to new secured term loan facilities in the aggregate principal amount of approximately \$2.4 billion (the “**Level 3 Credit Facilities Amendments**”) and (ii) the issuance of new first lien notes (the “**New First Lien Notes**”) consisting of approximately (1) \$2.0 billion aggregate principal amount of New 6.875% First Lien Notes (defined below) and (2) \$2.425 billion aggregate principal amount of New 7.000% First Lien Notes (defined below).

As noted in the 2024 TSA Abbreviated Securities Certificate, Lumen’s debt financings have historically been structured across different silos which track Lumen’s acquisition history. One silo is comprised of debt issued by Lumen (the “**Lumen Debt**”), portions of which are guaranteed and collateralized by various legacy entities of Lumen, including CenturyLink. A second silo reflects the business of Level 3 Parent and is issued by Level 3 Parent’s direct subsidiary Level 3 Financing (the “**Level 3 Debt**”), portions of which are guaranteed and collateralized by various direct and indirect subsidiaries of Level 3 Financing, including the Registrants. The Financing Arrangements described in this Abbreviated Securities Certificate only impact the Level 3 Debt silo and do not impact the Lumen Debt silo. CenturyLink is not seeking to register an Abbreviated Securities Certificate in connection with the Level 3 Credit Facilities Amendments or New First Lien Notes.

B. Description of the Level 3 Credit Facilities Amendments.

As part of the 2024 TSA Financing for the Level 3 Debt, Registrants participated as collateral guarantors in support of Level 3 Financing’s execution of the 2024 Level 3 Credit Agreement establishing new term loan credit facilities in the aggregate principal amount of approximately \$2.4 billion and comprised of (a) a secured term loan B-1 facility maturing on April 15, 2029 in the aggregate principal amount of approximately \$1.2 billion (the “**TLB-1**”) and (b) a secured term loan B-2 facility maturing on April 15, 2030 in the aggregate principal amount of approximately \$1.2 billion (the “**TLB-2**”). On March 27, 2025, Level 3 Financing amended the 2024 Level 3 Credit Agreement (the “**First Amendment Transactions**”) by issuing a new

S-2025-3053851, S-2025-3053852, S-2025-3053853, S-2025-3053854, S-2025-3053855, S-2025-3053856, S-2025-3053857, and S-2025-3053859 (filed March 10, 2025) (“**Note Refinancing Application**”), which the Commission deemed to have been registered in letter dated March 31, 2025.

secured term loan B-3 facility in the aggregate principal amount of approximately \$2.4 billion (the “**TLB-3**”). The First Amendment Transactions and the new TLB-3 term loan refinanced all of the outstanding indebtedness represented by the TLB-1 and TLB-2 term loans and among other things: (a) reduced the pricing of such debt,⁴ (b) made related changes to effect such repricing, and (c) extended the maturity of the 2024 Level 3 Credit Agreement to March 27, 2032. For additional information about the First Amendment Transactions, See, Report on [Form 8-K filed April 2, 2025 \(Exhibit A\)](#) (“*April 2025 Form 8-K*”).⁵

On September 29, 2025, Level 3 Financing further amended the 2024 Level 3 Credit Agreement, as amended by the First Amendment Transactions (the “**Second Amendment Transactions**”), by issuing a new secured term loan B-4 facility in the aggregate principal amount of approximately \$2.4 billion (the “**TLB-4**”). The Second Amendment Transactions and new TLB-4 term loan refinanced all of the outstanding indebtedness from the TLB-3 term loan and among other things, (a) further reduced the pricing of the TLB-3 and (b) made related changes to effect such repricing. Borrowings under the TLB-4 will be, at Level 3 Financing’s option, either (a) the base rate (which is the highest of (1) the overnight federal funds rate, plus 0.50%, (2) the prime rate on such day, and (3) the one-month SOFR plus 1.00%), plus an applicable margin, or (b) one-, three- or six-month SOFR, plus 3.25% (subject to a SOFR floor of 0.00%). The TLB-4 term loan facility matures on March 27, 2032. For additional information about the Second Amendment Transactions, See, *April 2025 Form 8-K*, and Report on [Form 8-K filed September 29, 2025 \(Exhibit B\)](#).⁶

The new pricing accomplished by the TLB-4 and Second Amendment Transactions represents a reduction of 100 basis points, resulting in an expected \$24 million annual interest expense savings over the TLB-3 and a blended interest rate reduction of 331 basis points (and annual interest savings of over \$79 million) from the rates charged for the TLB-1 and TLB-2.

C. Description of the New First Lien Notes. Registrants also seek Commission approval (to the extent required) to act as guarantors and to have their assets and equity pledged in support of the New First Lien Notes comprised by Level 3 Financing’s issuance: (a) on June 30, 2025, of \$2.0 billion aggregate principal amount of newly issued 6.875% First Lien Notes due 2033 (the “**New 6.875% First Lien Notes**”), (b) on August 18, 2025, of \$2.0 billion aggregate principal amount of newly issued 7.000% First Lien Notes Due 2034 (the “**Initial 7.000% First Lien Notes**”), and (c) on September 8, 2025, of approximately \$425,000,000 of additional 7.000%

⁴ Borrowings under the TLB-3 bore interest at a rate equal to, at Level 3 Financing’s option, either (a) the base rate (which is the greater of (x) the overnight federal funds rate, plus 0.50%, (y) the prime rate on such day, and (z) the one-month SOFR plus 1.00%), plus an applicable margin, or (b) one, three or six-month SOFR, plus 4.25% (subject to a 0.50% floor). The interest rate for the TLB-1 and TLB-2, was either (a) term SOFR (subject to a 2.00% floor) plus 6.56% or (b) a base rate plus 5.56%. The TLB-3 refinancing represented a blended interest rate reduction of 231 basis points resulting in annual interest savings of over \$55 million from the rates charged for the TLB-1 and TLB-2.

First Lien Notes due 2034 (the “**Additional 7.000% First Lien Notes**” and together with the Initial 7.000% First Lien Notes, the “**New 7.000% First Lien Notes**”).

1. Description of the New 6.875% First Lien Notes. The New 6.875% First Lien Notes have a maturity date of June 30, 2033 and are secured on a first lien basis by the collateral securing the New 6.875% First Lien Notes, subject to a shared lien of equal priority with the other first lien obligations of Level 3 Financing. Level 3 Financing used the net proceeds from the offering, together with cash on hand, to (a) redeem all \$924,522 million aggregate principal amount of Level 3 Financing’s then-outstanding first lien 10.500% Senior Secured Notes due 2030, (b) redeem all \$667.711 million aggregate principal amount of Level 3 Financing’s then outstanding 10.500% First Lien Notes which mature April 15, 2029, and (c) partially redeem \$166.565 million aggregate principal amount of Level 3 Financing’s outstanding 11.000% First Lien Notes which mature November 15, 2029 (the “**New Money Notes**”), in each case including the payment of redemption premiums and accrued interest, as well as related fees and expenses (collectively, the “**6.875% First Lien Note Refinancing**”). In addition to extending maturities by more than three years, the 6.875% First Lien Note Refinancing reduced Level 3 Financing’s annual interest expense by approximately \$48 million in annual cash interest expense. For additional information about the 6.875% First Lien Note Refinancing, See, Report on [Form 8-K filed June 30, 2025 \(Exhibit C\)](#).⁷

2. Description of the New 7.000% First Lien Notes. The New 7.000% First Lien Notes have a maturity date of March 31, 2034 and are secured on a first lien basis by the collateral securing the New 7.000% First Lien Notes, subject to a shared lien of equal priority with the other first lien obligations of Level 3 Financing. Level 3 Financing used the net proceeds from the offering, together with cash on hand, to: (a) redeem (i) the remaining \$1,408,435,434 aggregate principal amount of the remaining New Money Notes and (ii) the \$678,367,000 aggregate principal amount of Level 3 Financing’s 10.750% First Lien Notes due 2030, in each case, including payment of redemption premiums, and (b) pay related fees and expenses. For additional information about the Initial 7.000% First Lien Notes offering, See, Report on [Form 8-K filed August 18, 2025 \(Exhibit D\)](#).⁸ For additional information about the Additional 7.000% First Lien Notes offering, See, Report on [Form 8-K filed September 8, 2025 \(Exhibit E\)](#).²

The New First Lien Notes were each issued in private offerings under the Securities Act and were offered and sold only to persons reasonably believed to be qualified institutional buyers in accordance with Rule 144A of the Securities Act and to non-U.S. persons outside of the United States in accordance with Regulation S under the Securities Act.

⁸ **Exhibit D** contains the body of the 8-K filed with respect to issuance of the Initial 7,000% First Lien Notes, but does not include exhibits referenced in the 8-K which can be accessed via the link above.

D. Amendment of the Level 3 Intercompany Note.

As part of the Financing Arrangements, Level 3 LLC also amended and restated its previously issued intercompany loan proceeds demand note most recently referenced in the Note Refinancing Application (the “**A&R Loan Proceeds Note**”). The current A&R Loan Proceeds Note issued on September 30, 2025 reflects the cumulative amount of secured and collateralized debt of Level 3 LLC, including secured debt resulting from the Level 3 Credit Facilities Amendments and the issuance of the New First Lien Notes. Registrants assert the A&R Loan Proceeds Note is on similar terms to the intercompany demand note utilized for the Note Refinancing (and the prior version issued in the 2024 TSA Financing), including: (a) the multiple sources of debt covered by the note (US \$9,066,124,288.83), (b) the parties to the note (Level 3 LLC and Level 3 Financing), the assets pledged by Level 3 LLC as security in support of the A&R Loan Proceeds Note (the tangible assets of Level 3 LLC), and (c) the note continuing to be payable on demand.

IV. PUBLIC INTEREST CONSIDERATIONS

Approval of the Financing Arrangements described herein will serve the public interest. The Financing Arrangements are part of Lumen and its subsidiaries ongoing efforts to manage its capital structure to ensure long-term financial stability. The Financing Arrangements have (a) extended the maturity dates under the 2024 Level 3 Credit Agreement from April 15, 2029 and April 15, 2030, respectively, to March 27, 2032, and (b) reduced the overall interest rates associated with such debt. Similar, issuance of the New First Lien Notes reduces Level 3 Financing’s overall interest expenses through the refinancing of Level 3 Financing’s higher-interest rate notes of 10.500% and 11.000% for the New First Lien Notes with interest rates of 6.875% and 7.000%, respectively. It also extends the nearer term maturity dates associated with the repurchased first lien notes by three to four years. The extended debt maturity dates coupled with lower overall interest cost not only reduces immediate financial burdens, but provides Lumen with greater financial flexibility, which in turn will help simplify Lumen’s capital structure and enable Lumen to allocate more resources towards growth initiatives, particularly in the AI sector, which is expected to drive future revenue streams.

Level 3 Financing expects that the capital markets will continue to look favorably upon these steps as part of its ongoing efforts to manage the maturity profile of its debt and to continue to strengthen its overall credit profile. It will also provide Lumen, along with Level 3 Financing and the Registrants, with additional time to continue stabilizing its business performance and to execute its business transformation, which includes support for its digital network services, which are crucial for enterprises and public sector organizations in the AI-driven economy.

The Financing Arrangements have been and will continue to be conducted in a manner that is transparent to customers and will not result in a change of carrier for customers or any assignment of authorizations or the discontinuance, reduction, loss, or impairment of service to customers. Following completion of the Financing Arrangements, the Registrants will continue to provide high-quality communications services to their customers without interruption and without immediate change in rates, terms, or conditions. In addition, the Registrants’ participation in the Financing Arrangements will not result in a change in the Registrants’ management or in the Registrants’ day-to-day operations in Pennsylvania, nor will the Financing Arrangements

adversely affect the Registrants' current or proposed operations in Pennsylvania. As such, they expect the Financing Arrangements will provide greater access to capital, which will yield both financial benefits and operational flexibility that will ultimately inure to the benefit of the Registrants' Pennsylvania customers. Additionally, the Financing Arrangements strengthen the Registrants' ability to remain financially strong competitors in the Commonwealth of Pennsylvania. Accordingly, and to the extent required, the Registrants request Commission approval to participate in the Financing Arrangements discussed herein.

V. CONCLUSION

For the reasons set forth above, the Registrants submit that the public interest, convenience, and necessity will be furthered by expeditious Commission approval of their participation in the Financing Arrangements described herein. The Registrants respectfully request that this Commission promptly approve the above-referenced Financing Arrangements, register this Abbreviated Securities Certificate and issue a Notice of Registration, pursuant to Section 1901 of the Public Utility Code, 66 Pa. C.S. § 1901, and Section 3.602(c) of the Commission regulations, 52 Pa. Code § 3.602(c), and provide any other relief deemed necessary to authorize the Registrants to participate in the Financing Arrangements described herein.

Item 1.01	Entry into a Material Definitive Agreement.
------------------	--

On March 27, 2025 (the “Amendment Date”), Level 3 Financing, Inc. (“Level 3”), an indirect wholly owned subsidiary of Lumen Technologies, Inc. (the “Company”) and a direct wholly owned subsidiary of Level 3 Parent, LLC (“Level 3 Parent”), (i) refinanced all of the outstanding secured term B-1 loan facilities and secured term B-2 loan facilities under its existing Credit Agreement, dated March 22, 2024 (the “Existing Level 3 Credit Agreement”), by and among Level 3, Level 3 Parent, Wilmington Trust, National Association, as administrative agent and collateral agent, and the lenders from time to time party thereto and (ii) entered into an amendment to the Existing Level 3 Credit Agreement (the “First Amendment”) (the transactions referred to in clauses (i) and (ii), the “Credit Facilities Transactions”). The First Amendment amended the Existing Level 3 Credit Agreement to, among other things, (i) reduce the pricing on Level 3’s term loan facility (the “Term Loan Facility”), and to make related changes to effect such repricing and (ii) extend the maturity of the Term Loan Facility, as described below.

Immediately following the Credit Facilities Transactions, Level 3 had \$2,400 million of outstanding borrowings under the Term Loan Facility. Borrowings under the Term Loan Facility will not amortize.

Borrowings under the Term Loan Facility will be, at Level 3’s option, either (i) the base rate (which is the highest of (x) the overnight federal funds rate, plus 0.50%, (y) the prime rate on such day, and (z) the one-month Secured Overnight Financing Rate (“SOFR”) published on such date, plus 1.00%), plus an applicable margin, or (ii) one-, three- or six-month SOFR, plus an applicable margin. The applicable margin for SOFR loans under the Term Loan Facility will be 4.25%. The Term Loan Facility is subject to a SOFR floor of 0.50%. The Term Loan Facility matures on March 27, 2032.

Level 3 may voluntarily prepay loans or reduce commitments under the Term Loan Facility, in whole or in part, subject to minimum amounts, with prior notice, but without premium or penalty (other than a 1.00% premium on any prepayment in connection with a repricing transaction prior to the date that is six months after the Amendment Date). Level 3 is required to prepay the Term Loan Facility with 100% of the net cash proceeds of certain asset sales and 100% of the net cash proceeds of certain debt issuances, in each case, subject to certain exceptions.

The obligations under the Term Loan Facility are guaranteed by substantially all of Level 3’s material, wholly-owned domestic subsidiaries (the “Guarantors”), subject to certain customary exceptions. Item 1.01 Entry into a Material Definitive Agreement.

On September 29, 2025 (the “Amendment Date”), Level 3 Financing, Inc. (“Level 3”), an indirect wholly owned subsidiary of Lumen Technologies, Inc. (the “Company”) and a direct wholly owned subsidiary of Level 3 Parent, LLC (“Level 3 Parent”), (i) refinanced all of the outstanding secured term B-3 loan facilities under its existing Credit Agreement, dated March 22, 2024 (the “Existing Level 3 Credit Agreement”), by and among Level 3, Level 3 Parent, Wilmington Trust, National Association, as administrative agent and collateral agent, and the lenders from time to time party thereto and (ii) entered into an amendment to the Existing Level 3 Credit Agreement (the “Second Amendment”) (the transactions referred to in clauses (i) and (ii), the “Credit Facilities Transactions”). The Second Amendment amended the Existing Level 3 Credit Agreement to, among other things, reduce the pricing on Level 3’s term loan facility (the “Term Loan Facility”), and to make related changes to effect such repricing, as described below.

Immediately following the Credit Facilities Transactions, Level 3 had \$2,400 million of outstanding borrowings under the Term Loan Facility. Borrowings under the Term Loan Facility will not amortize.

Borrowings under the Term Loan Facility will be, at Level 3’s option, either (i) the base rate (which is the highest of (x) the overnight federal funds rate, plus 0.50%, (y) the prime rate on such day, and (z) the one-month Secured Overnight Financing Rate (“SOFR”) published on such date, plus 1.00%), plus an applicable margin, or (ii) one-, three- or six-month SOFR, plus an applicable margin. The applicable margin for SOFR loans under the Term Loan Facility will be 3.25%. The Term Loan Facility is subject to a SOFR floor of 0.00%. The Term Loan Facility matures on March 27, 2032.

Level 3 may voluntarily prepay loans or reduce commitments under the Term Loan Facility, in whole or in part, subject to minimum amounts, with prior notice, but without premium or penalty (other than a 1.00% premium on any prepayment in connection with a repricing transaction prior to the date that is six months after the Amendment Date). Level 3 is required to prepay the Term Loan Facility with 100% of the net cash proceeds of certain asset sales and 100% of the net cash proceeds of certain debt issuances, in each case, subject to certain exceptions.

The obligations under the Term Loan Facility are guaranteed by substantially all of Level 3’s material, wholly-owned domestic subsidiaries (the “Guarantors”), subject to certain customary exceptions. The Term Loan Facility is secured by a first priority lien on substantially all of Level 3’s and the Guarantors’ current and fixed assets (subject to certain exceptions), subject to certain permitted liens.

The Term Loan Facility contains customary negative covenants, including, but not limited to, restrictions on the ability of Level 3 and its subsidiaries to merge and consolidate with other companies, incur indebtedness, grant liens or security interests on assets, pay dividends or make other restricted payments, optionally prepay or modify terms of certain junior indebtedness, sell or otherwise transfer certain assets, or enter into transactions with affiliates (in each case subject to permitted exceptions).

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information in Item 1.01 of this Form 8-K is hereby incorporated by reference into this Item 2.03.

Item 7.01 Regulation FD Disclosure.

On September 29, 2025, Lumen issued a press release announcing the successful completion of a refinancing transaction of Level 3, which is in addition to the previously announced offering of additional \$425 million aggregate principal amount of its 7.000% First Lien Notes due 2034, the proceeds of which were used to effect the redemption of its 10.750% First Lien Notes due 2030. Item 1.01 Entry into a Material Definitive Agreement.

On June 30, 2025, Level 3 Financing, Inc. (“Level 3 Financing”), a direct wholly-owned subsidiary of Level 3 Parent, LLC (“Parent”) and an indirect wholly-owned subsidiary of Lumen Technologies, Inc. (“Lumen,” “us,” “we” or “our”):

- completed its previously-announced upsized offering of \$2.0 billion aggregate principal amount of its 6.875% First Lien Notes due 2033 (the “Notes”); and
- in connection therewith, entered into an indenture (the “Indenture”) with U.S. Bank Trust Company, National Association, as trustee and Wilmington Trust, National Association, as collateral agent, dated June 30, 2025, which sets forth the terms of the Notes.

Level 3 Financing used the net proceeds from the offering, together with cash on hand, to redeem all \$924.522 million aggregate principal amount of Level 3 Financing’s first lien 10.500% Senior Secured Notes due 2030 and all \$667.711 million aggregate principal amount of Level 3 Financing’s 10.500% First Lien Notes due 2029, and to partially redeem \$166.565 million aggregate principal amount of Level 3 Financing’s 11.000% First Lien Notes due 2029, in each case, including payment of redemption premium, and to pay related fees and expenses.

Interest on the Notes will accrue from June 30, 2025 and is payable on June 30 and December 30 of each year, beginning on December 30, 2025.

The Notes are (i) senior obligations of Level 3 Financing, ranking equal in right of payment with all existing and future indebtedness of Level 3 Financing that is not expressly subordinated in right of payment to the Notes; (ii) secured on a first lien basis by the collateral securing the Notes, subject to a shared lien of equal priority with the other first lien obligations of Level 3 Financing secured by such collateral and subject to other liens permitted by the Indenture and, in certain cases, to receipt of necessary regulatory approvals; (iii) effectively senior to all existing and future second lien obligations of Level 3 Financing to the extent of the value of the collateral of Level 3 Financing (after giving effect to the sharing of such value with holders of equal ranking liens on such collateral, and subject, in certain cases, receipt of necessary regulatory approvals); (iv) effectively senior to all existing and future senior unsecured indebtedness of Level 3 Financing to the extent of the value of the collateral of Level 3 Financing (after giving effect to the sharing of such value with holders of equal ranking liens on such Collateral, and subject, in certain cases, to receipt of necessary regulatory approvals); (v) contractually senior in right of payment to all existing and future indebtedness of Level 3 Financing that is expressly subordinated in right of payment to the Notes; (vi) effectively subordinated to any obligations of Level 3 Financing secured by liens on assets of Level 3 Financing that do not constitute collateral, to the extent of the value of such assets; and (vii) effectively subordinated to all liabilities, including trade payables, of Level 3 Financing’s subsidiaries that are not guarantors under the Indenture.

The Notes are fully and unconditionally guaranteed, jointly and severally, on a first lien secured basis by Level 3 Parent and certain of Level 3 Parent’s material domestic subsidiaries which were able to guarantee the Notes without regulatory approval and, subject to the receipt of applicable regulatory approvals, other material domestic subsidiaries of Level 3 Financing will guarantee each series of Notes. Each such guarantee will be (i) a senior obligation of the applicable guarantor, ranking equal in right of payment with all existing and future indebtedness of such guarantor that is not expressly subordinated in right of payment to the guarantee of such guarantor; (ii) secured on a first lien basis by the collateral of such guarantor, subject to a shared lien of equal priority with the other first lien obligations of such guarantor secured by such collateral, subject to other liens on such collateral permitted by the Indenture and, in certain cases, receipt of certain necessary regulatory approvals; (iii) effectively senior to all existing and future second lien obligations of such guarantor to the extent of the value of the collateral of such guarantor (after giving effect to the sharing of such value with holders of equal ranking liens on such collateral, and subject, in certain cases, to receipt of necessary regulatory approvals); (iv) effectively senior to all existing and future senior unsecured indebtedness of such guarantor to the extent of the value of the collateral of such guarantor (after giving effect to the sharing of such value with holders of equal ranking liens on such collateral, and subject, in certain cases, to receipt of necessary regulatory approvals); (v) contractually senior in right of payment to all existing and future indebtedness of such guarantor that is expressly subordinated in right of payment to the guarantee of such guarantor; (vi) effectively subordinated to any obligations of such guarantor secured by liens on

assets of such guarantor that do not constitute collateral, to the extent of the value of such assets; and (vii) effectively subordinated to all liabilities, including trade payables, of the subsidiaries (other than Level 3 Financing) of such guarantor that are not themselves guarantors. Each such guarantee will be secured on a first lien basis by the collateral of such guarantor, subject to a shared lien of equal priority with the other first lien obligations of such guarantor secured by such collateral, subject to other liens on such collateral permitted by the Indenture and, in certain cases, receipt of necessary regulatory approvals.

Level 3 Financing may redeem some or all of the Notes (i) at any time prior to June 30, 2028 at a redemption price equal to 100% of their principal amount, plus the applicable “make-whole” premium set forth in the Indenture and accrued and unpaid interest (if any) to, but not including, the date of redemption, and (ii) some or all of the Notes on or after June 30, 2028, at the redemption prices as set forth in the Indenture, plus accrued and unpaid interest (if any) to, but not including, the date of redemption. Prior to June 30, 2028, Level 3 Financing may also, at its option, redeem up to 40% of the aggregate principal amount of the Notes with an amount not greater than the net cash proceeds from one or more equity offerings at the redemption price specified in the Indenture.

In addition, at any time prior to June 30, 2028, but not more than once during each twelve-month period commencing June 30, 2025, Level 3 Financing may redeem up to 10% of the aggregate principal amount of the Notes at a price equal to 103% of the principal amount of the Notes redeemed, plus accrued and unpaid interest (if any) to, but not including, the date of redemption.

Upon the occurrence of certain specified change of control events, Level 3 Financing will be required, unless it has elected to redeem the Notes as described above, to make an offer to purchase all the outstanding Notes at a price in cash equal to 101% of their principal amount on the purchase date, plus accrued and unpaid interest (if any) to, but not including, such purchase date.

The Indenture provides for customary events of default, including, among other things, the (i) failure to pay principal, interest or premium (if any) on the Notes when due, subject to certain grace periods; (ii) failure to perform various specified covenants continued for 90 days after written notice with respect thereto to Level 3 Financing by the trustee or the holders of at least 30% of the aggregate principal amount of such Notes then outstanding; or (iii) occurrence of certain specified defaults, judgments, bankruptcy proceedings, insolvencies or other events relating to Parent, Level 3 Financing or certain of its significant subsidiaries. In addition, subject to the terms and conditions set forth in the Indenture, if certain specified events of default with respect to the Notes occur and are continuing, the trustee or holders of at least 30% of the aggregate principal amount of the Notes then outstanding may declare the principal of the Notes to be due and payable immediately.

The Indenture contains certain restrictive covenants that limit the incurrence of additional indebtedness, liens and certain other corporate transactions. These covenants are subject to a number of important limitations and exceptions, and are subject to termination upon the occurrence of certain events described in the Indenture.

The Notes and the related guarantees are not and will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws in the United States and may not be offered or sold in the United States absent registration or an exemption from the applicable registration requirements. Accordingly, the Notes were offered and sold only to persons reasonably believed to be qualified institutional buyers in accordance with Rule 144A promulgated under the Securities Act and to non-U.S. persons outside the United States in accordance with Regulation S promulgated under the Securities Act. Holders of the Notes do not have registration rights.

The foregoing description of the Indentures does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Indenture. A copy of the Indenture is attached as Exhibit 10.1 hereto, which is incorporated herein by reference.

Interest on the Notes will accrue from August 18, 2025 and is payable on March 31 and September 30 of each year, beginning on March 31, 2026.

The Notes are (i) senior obligations of Level 3 Financing, ranking equal in right of payment with all existing and future indebtedness of Level 3 Financing that is not expressly subordinated in right of payment to the Notes; (ii) secured on a first lien basis by the collateral securing the Notes, subject to a shared lien of equal priority with the other first lien obligations of Level 3 Financing secured by such collateral and subject to other liens permitted by the Indenture and, in certain cases, to receipt of necessary regulatory approvals; (iii) effectively senior to all existing and future second lien obligations of Level 3 Financing to the extent of the value of the collateral of Level 3 Financing (after giving effect to the sharing of such value with holders of equal ranking liens on such collateral, and subject, in certain cases, receipt of necessary regulatory approvals); (iv) effectively senior to all existing and future senior unsecured indebtedness of Level 3 Financing to the extent of the value of the collateral of Level 3 Financing (after giving effect to the sharing of such value with holders of equal ranking liens on such Collateral, and subject, in certain cases, to receipt of necessary regulatory approvals); (v) contractually senior in right of payment to all existing and future indebtedness of Level 3 Financing that is expressly subordinated in right of payment to the Notes; (vi) effectively subordinated to any obligations of Level 3 Financing secured by liens on assets of Level 3 Financing that do not constitute collateral, to the extent of the value of such assets; and (vii) effectively subordinated to all liabilities, including trade payables, of Level 3 Financing’s subsidiaries that are not guarantors under the Indenture.

The Notes are fully and unconditionally guaranteed, jointly and severally, on a first lien secured basis by Level 3 Parent and certain of Level 3 Parent’s material domestic subsidiaries which were able to guarantee the Notes without regulatory approval and, subject to the receipt of applicable regulatory approvals, other material domestic subsidiaries of Level 3 Financing will guarantee each series of Notes. Each such guarantee will be (i) a senior obligation of the applicable guarantor, ranking equal in right of payment with all existing and future indebtedness of such guarantor that is not expressly subordinated in right of payment to the guarantee of such guarantor; (ii) secured on a first lien basis by the collateral of such guarantor, subject to a shared lien of equal priority with the other first lien obligations of such guarantor secured by such collateral, subject to other liens on such collateral permitted by the Indenture and, in certain cases, receipt of certain necessary regulatory approvals; (iii) effectively senior to all existing and future second lien obligations of such guarantor to the extent of the value of the collateral of such guarantor (after giving effect to the sharing of such value with holders of equal ranking liens on such collateral, and subject, in certain cases, to receipt of necessary regulatory approvals); (iv) effectively senior to all existing and future senior unsecured indebtedness of such guarantor to the extent of the value of the collateral of such guarantor (after giving effect to the sharing of such value with holders of equal ranking liens on such collateral, and subject, in certain cases, to receipt of necessary regulatory approvals); (v) contractually senior in right of payment to all existing and future indebtedness of such guarantor that is expressly subordinated in right of payment to the guarantee of such guarantor; (vi) effectively subordinated to any obligations of such guarantor secured by liens on assets of such guarantor that do not constitute collateral, to the extent of the value of such assets; and (vii)

effectively subordinated to all liabilities, including trade payables, of the subsidiaries (other than Level 3 Financing) of such guarantor that are not themselves guarantors. Each such guarantee will be secured on a first lien basis by the collateral of such guarantor, subject to a shared lien of equal priority with the other first lien obligations of such guarantor secured by such collateral, subject to other liens on such collateral permitted by the Indenture and, in certain cases, receipt of necessary regulatory approvals.

Level 3 Financing may redeem some or all of the Notes (i) at any time prior to August 31, 2028 at a redemption price equal to 100% of their principal amount, plus the applicable “make-whole” premium set forth in the Indenture and accrued and unpaid interest (if any) to, but not including, the date of redemption, and (ii) some or all of the Notes on or after August 31, 2028, at the redemption prices as set forth in the Indenture, plus accrued and unpaid interest (if any) to, but not including, the date of redemption.

Prior to August 31, 2028, Level 3 Financing may also, at its option, redeem up to 40% of the aggregate principal amount of the Notes with an amount not greater than the net cash proceeds from one or more equity offerings at the redemption price specified in the Indenture.

In addition, at any time prior to August 31, 2028, but not more than once during each twelve-month period commencing August 18, 2025, Level 3 Financing may redeem up to 10% of the aggregate principal amount of the Notes at a price equal to 103% of the principal amount of the Notes redeemed, plus accrued and unpaid interest (if any) to, but not including, the date of redemption.

Upon the occurrence of certain specified change of control events, Level 3 Financing will be required, unless it has elected to redeem the Notes as described above, to make an offer to purchase all the outstanding Notes at a price in cash equal to 101% of their principal amount on the purchase date, plus accrued and unpaid interest (if any) to, but not including, such purchase date.

The Indenture provides for customary events of default, including, among other things, the (i) failure to pay principal, interest or premium (if any) on the Notes when due, subject to certain grace periods; (ii) failure to perform various specified covenants continued for 90 days after written notice with respect thereto to Level 3 Financing by the trustee or the holders of at least 30% of the aggregate principal amount of such Notes then outstanding; or (iii) occurrence of certain specified defaults, judgments, bankruptcy proceedings, insolvencies or other events relating to Parent, Level 3 Financing or certain of its significant subsidiaries. In addition, subject to the terms and conditions set forth in the Indenture, if certain specified events of default with respect to the Notes occur and are continuing, the trustee or holders of at least 30% of the aggregate principal amount of the Notes then outstanding may declare the principal of the Notes to be due and payable immediately.

The Indenture contains certain restrictive covenants that limit the incurrence of additional indebtedness, liens and certain other corporate transactions. These covenants are subject to a number of important limitations and exceptions, and are subject to termination upon the occurrence of certain events described in the Indenture.

The Notes and the related guarantees are not and will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws in the United States and may not be offered or sold in the United States absent registration or an exemption from the applicable registration requirements. Accordingly, the Notes were offered and sold only to persons reasonably believed to be qualified institutional buyers in accordance with Rule 144A promulgated under the Securities Act and to non-U.S. persons outside the United States in accordance with Regulation S promulgated under the Securities Act. Holders of the Notes do not have registration rights.

On September 8, 2025, Level 3 Financing, Inc. (“Level 3 Financing”), a direct wholly-owned subsidiary of Level 3 Parent, LLC (“Parent”) and an indirect wholly-owned subsidiary of Lumen Technologies, Inc. (“Lumen,” “us,” “we” or “our”) completed its previously-announced offering of an additional \$425,000,000 aggregate principal amount of its 7.000% First Lien Notes due 2034 (the “New Notes”).

The New Notes were issued as additional notes under the indenture dated August 18, 2025 (the “Indenture”), entered into among Level 3 Financing, the Parent, the other guarantors party thereto, U.S. Bank Trust Company, National Association, as trustee, and Wilmington Trust, National Association, as collateral agent, pursuant to which Level 3 Financing issued \$2.0 billion in aggregate principal amount of its 7.000% First Lien Notes due 2034 on August 18, 2025 (the “Initial Notes” and, together with the New Notes, the “Notes”). The New Notes form a single series with, and have the same terms (other than the issue date and issue price) as, the Initial Notes.

Level 3 Financing intends to use the net proceeds from the offering, together with cash on hand, to redeem all \$373,000,000 aggregate principal amount of Level 3 Financing’s 10.750% First Lien Notes due 2030, including payment of redemption premium, and to pay related fees and expenses. This Current Report on Form 8-K does not constitute a notice of redemption with respect to any of Level 3 Financing’s outstanding senior notes.

Interest on the Notes accrues from August 18, 2025 and is payable on March 31 and September 30 of each year, beginning on March 31, 2026.

The Notes are (i) senior obligations of Level 3 Financing, ranking equal in right of payment with all existing and future indebtedness of Level 3 Financing that is not expressly subordinated in right of payment to the Notes; (ii) secured on a first lien basis by the collateral securing the Notes, subject to a shared lien of equal priority with the other first lien obligations of Level 3 Financing secured by such collateral and subject to other liens permitted by the Indenture and, in certain cases, to receipt of necessary regulatory approvals; (iii) effectively senior to all existing and future second lien obligations of Level 3 Financing to the extent of the value of the collateral of Level 3 Financing (after giving effect to the sharing of such value with holders of equal ranking liens on such collateral, and subject, in certain cases, receipt of necessary regulatory approvals); (iv) effectively senior to all existing and future senior unsecured indebtedness of Level 3 Financing to the extent of the value of the collateral of Level 3 Financing (after giving effect to the sharing of such value with holders of equal ranking liens on such Collateral, and subject, in certain cases, to receipt of necessary regulatory approvals); (v) contractually senior in right of payment to all existing and future indebtedness of Level 3 Financing that is expressly subordinated in right of payment to the Notes; (vi) effectively subordinated to any obligations of Level 3 Financing secured by liens on assets of Level 3 Financing that do not constitute collateral, to the extent of the value of such assets; and (vii) effectively subordinated to all liabilities, including trade payables, of Level 3 Financing’s subsidiaries that are not guarantors under the Indenture.

The Notes are fully and unconditionally guaranteed, jointly and severally, on a first lien secured basis by Level 3 Parent and certain of Level 3 Parent’s material domestic subsidiaries which were able to guarantee the Notes without regulatory approval and, subject to the receipt of applicable regulatory approvals, other material domestic subsidiaries of Level 3 Financing will guarantee each series of Notes. Each such guarantee will be (i) a senior obligation of the applicable guarantor, ranking equal in right of payment with all existing and future indebtedness of such guarantor that is not expressly subordinated in right of payment to the guarantee of such guarantor; (ii) secured on a first lien basis by the collateral of such guarantor, subject to a shared lien of equal priority with the other first lien obligations of such guarantor secured by such collateral, subject to other liens on such collateral permitted by the Indenture and, in certain cases, receipt of certain necessary regulatory approvals; (iii) effectively senior to all existing and future second lien obligations of such guarantor to the extent of the value of the collateral of such guarantor (after giving effect to the sharing of such value with holders of equal ranking liens on such collateral, and subject, in certain cases, to receipt of necessary regulatory approvals); (iv) effectively senior to all existing and future senior unsecured indebtedness of such guarantor to the extent of the value of the collateral of such guarantor (after giving effect to the sharing of such value with holders of equal ranking liens on such collateral, and subject, in certain cases, to receipt of necessary regulatory approvals); (v) contractually senior in right of payment to all existing and future indebtedness of such guarantor that is expressly subordinated in right of payment to the guarantee of such guarantor; (vi) effectively subordinated to any obligations of such guarantor secured by liens on

assets of such guarantor that do not constitute collateral, to the extent of the value of such assets; and (vii) effectively subordinated to all liabilities, including trade payables, of the subsidiaries (other than Level 3 Financing) of such guarantor that are not themselves guarantors. Each such guarantee will be secured on a first lien basis by the collateral of such guarantor, subject to a shared lien of equal priority with the other first lien obligations of such guarantor secured by such collateral, subject to other liens on such collateral permitted by the Indenture and, in certain cases, receipt of necessary regulatory approvals.

Level 3 Financing may redeem some or all of the Notes (i) at any time prior to August 31, 2028 at a redemption price equal to 100% of their principal amount, plus the applicable “make-whole” premium set forth in the Indenture and accrued and unpaid interest (if any) to, but not including, the date of redemption, and (ii) some or all of the Notes on or after August 31, 2028, at the redemption prices as set forth in the Indenture, plus accrued and unpaid interest (if any) to, but not including, the date of redemption.

The Indenture provides for customary events of default, including, among other things, the (i) failure to pay principal, interest or premium (if any) on the Notes when due, subject to certain grace periods; (ii) failure to perform various specified covenants continued for 90 days after written notice with respect thereto to Level 3 Financing by the trustee or the holders of at least 30% of the aggregate principal amount of such Notes then outstanding; or (iii) occurrence of certain specified defaults, judgments, bankruptcy proceedings, insolvencies or other events relating to Parent, Level 3 Financing or certain of its significant subsidiaries. In addition, subject to the terms and conditions set forth in the Indenture, if certain specified events of default with respect to the Notes occur and are continuing, the trustee or holders of at least 30% of the aggregate principal amount of the Notes then outstanding may declare the principal of the Notes to be due and payable immediately.

The Indenture contains certain restrictive covenants that limit the incurrence of additional indebtedness, liens and certain other corporate transactions.
