RE: UGI Utilities, Inc. – Gas Division
Distribution System Improvement Charge
Effective November 8, 2025
M-2025-3058320

Dear Ms. Rogers:

The Bureau of Audits has reviewed UGI Utilities, Inc. – Gas Division's proposed Supplement No. 60 to Tariff UGI Gas – Pa. P.U.C. No. 7 and the supporting rate computations submitted on October 29, 2025, to become effective on November 8, 2025.

Based upon staff review, it appears that the proposed Distribution System Improvement Charge (DSIC) rate for the two-month period of November 8, 2025 through December 31, 2025 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3058320.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
