RE: A-2024-3050935

Application of Verizon Pennsylvania, LLC for approval to alter the public crossing (DOT 851 963 U) by the installation of an aerial fiber optic cable where State Route 1009 (Kesslersville Road) crosses, at grade, a single track of Norfolk Southern Railway Company located in Forks Township, Northampton County.

Request for time extension.

Dear Ms. Chiavetta:

In regards to the above mentioned application, Verizon requests a one year time extension for completion of the subject crossing. The time extension is necessary due to the Railroad delaying our Right of Entry.

Should you have any questions or require any further information, please contact me at 724-652-6375.

Sincerely,

Kathleen Meeks
