Request for Information

Questions for evaluation on a PUC Application require regulation compliant answers, they should be well thought out and complete, and must answer all parts of the questions asked. Please review Title 52 PA Code to ensure your answers meet that standard.

The purpose of the verified statement questions is to determine your ability to provide safe, efficient, and reasonable transportation. It is in your best interest to provide accurate, complete, and timely responses. Failure to do so is sufficient grounds to justify the denial of your application because you have failed to provide sufficient evidence of your fitness to operate. Be advised that additional corrections may not always be requested; therefore, prior to submitting your responses, your consultation with an attorney or financial expert familiar with Commission regulated Motor Carrier related proceedings is highly encouraged.

- 1) Regarding Question 3 of the Verified Statements, please state where specific prior experience was obtained, with names and dates of activity.
- 2) The responses to questions 5(a), 5(b), 5(c), 5(d) and 5(e) of the Verified Statements are insufficient. Even if owners of the company only are currently driving, a Code specific plan must be in place for any future hires. Title 52 Pa. Code § 29 provides detailed requirements. **Please provide a system which incorporates code specified compliance requirements for frequency and retention of records for drivers.** Each of your answers to sections of this question were insufficient:
 - § 29.503. Age restrictions.
 - § 29.504. Driver history
 - § 29.505. Criminal history.
- 3) The Verified Statements must be dated AND signed, please provide an updated page 7 with the date filled in.
