RE: Application of Tade Line, LLC, 5155 W. Thompson St., Philadelphia PA 19131. 610-817-1544

To Whom It May Concern:

The purpose of this Letter is to advise you that your Application, Docket No. A-2025-3058409, has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience **WILL NOT BE GRANTED** for the following reason(s):

• **Failure to establish fitness to operate:**

On November 10, 2025, the application of Tade Line, LLC was accepted by the Commission for consideration of the approval for airport transfer rights. In reviewing the financial information presented by the applicant it has been determined that the applicant lacks adequate financial fitness to render safe, efficient, and reasonable transportation.

The applicant's undated statement, submitted on October 29, 2025, indicates a cash balance of \$200, no additional assets, and current liabilities approximating \$11,640. As of the time of filing, the applicant indicates that it does not possess a vehicle for rendering the proposed service and it does not indicate that it has pre-paid insurance downpayments or premiums. These presented factors indicate a significant lack of the necessary financial liquidity that will be required to purchase, maintain, and insure vehicles for service.

For these reasons the application remains DISMISSED and DENIED
