

PETITION LETTER

**Secretary, Pennsylvania Public Utility Commission,
400 North Street, Harrisburg PA 17120**

RE: Petition for Reconsideration of Staff Action

Application of TADE LINE LLC, 5155 W Thompson street Philadelphia PA 19131

Docket No. A-2025-3058409

For whom it may concern,

I'm writing this Petition in order to request the Commission to change its determination for: **DENIED** my E-file Application to Begin Service (**Carrier of Persons in Airport Transfer Service**).

As I can see from the letter you emailed me, it was about my financial statements that I have submitted which I did not properly complete for not mentioning my **other current assets** (vehicle) and **Tangible Assets** in accordance with the Airport Transfer Service Business License that I'm seeking for.

Also, you have mentioned that I have indicated not possessing a vehicle for rendering the proposed service and commercial auto insurance.

I'm sorry about missing out on those informations on my application which I'm willing to correct by addressing you this petition.

Of course, that I have all the important equipments needed for the mentioned business such as: **Vehicle** with necessary equipment (camera dash cam, mobile phone device, portable power bank, car seats cover sets).

About my ability to obtain the required auto insurance, I'm currently insured with Progressive auto insurance with the vehicle that I will be using for the business. Therefore, I have now requested a new quote following the insurance requirement for the business (see attached insurance quote sheet from Progressive).

I have also attached the following documents:

- **Proof of Vehicle purchased Agreement (2019 Hyundai Tucson, VIN: KM8J3CAL1KU975006) from dealer.**

- Proof of commercial auto insurance quote requested (PROGRESSIVE INSURANCE)
- Tangible assets receipts proofs (camera dash cam, mobile phone device, portable power bank, car seats cover sets)
- Dated Statement of Financial Position (I have completed the missed information from the previous one submitted about others current assets(vehicle) and tangible assets (equipment)).

Thank you for considering my petition for reconsideration. I appreciate your time and understanding, and if you need any more information, please feel free to contact me via email or the phone number mentioned on my application.

VERIFICATION

I, **TAALOUT EHYSSSE**, hereby state that the facts above set forth are true and correct (or are true and correct to the best of my knowledge, information and belief) and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities). (Applicant is not now engaged in intrastate transportation of property or passengers for compensation in this Commonwealth except as authorized by the Pennsylvania Public Utility Commission certificate or permit, and will not engage in the transportation for which approval is herein sought, unless and until the transportation is authorized by your Honorable Commission.)
