Harrisburg, PA 17120

Re: Docket No. P-2010-2155915 – Notice of Assurance Wireless Plan Change

Dear Secretary Homsher:

Assurance Wireless USA, L.P. (“Assurance Wireless”) hereby notifies the Pennsylvania Public Utility Commission (“Commission”) of a change to our promotional device-offering practice in Pennsylvania in which Assurance Wireless no longer offers a free handset to new customers enrolling in the Lifeline service plan. Assurance Wireless provides this notice as an informational notice given that the provision of a handset or device is neither required by the federal Lifeline rules nor state law and is not a regulated service element under the federal Lifeline program.

Assurance Wireless Lifeline customers continue to receive incredible benefits, including unlimited voice and text minutes, and 10 GB of data, all at no cost to the customer. In addition, customers can now bring their own unlocked phone as a Bring Your Own Device (BYOD), or purchase an affordable device that best fits their needs.

Please contact me if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Michelle Lama".

Michelle Lama  
Principal Corporate Counsel
