RE: Application of Safe Travel Transportation, LLC, 133 Denver Rd., Denver, Lancaster County, PA 17517. 802-376-3681

To Whom It May Concern:

The purpose of this Letter is to advise you that your Application, Docket No. A-2025-3058159 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience **WILL NOT BE GRANTED** for the following reason(s):

• **Failure to establish fitness to operate:**

On October 29, 2025, the applicant was issued a detailed 10-day data request seeking an acceptable description of the proposed operating area, evidence that the applicant's intended transportation brokers were certificated to operate within the Commonwealth, evidence of compliant policies/procedures for hiring/retention and vehicle maintenance, information about the number of intended drivers/their suitability for the proposed operating area, evidence of insurance quotes, and verifiable evidence to substantiate the financial position stated in the application. The applicant was notified of the issues to address and was provided with relevant citations to review and with examples of acceptable evidence to support its financial position.

On November 12, 2025, a response was received from the applicant. In its response, the applicant provided suitable revisions to address the Commission's concerns related to brokers, territory, maintenance, and finances. However, absent from the applicant's response was evidence of an acceptable driver hiring/retention policy which satisfied the requirements of 52 Pa Code §§ 29.504 - 29.505.

For these reasons the application is DISMISSED and DENIED
