House of Representatives  
COMMONWEALTH OF PENNSYLVANIA  
HARRISBURG

R-2025-3057164

November 10, 2025

Chairman Stephen M. DeFrank  
Pennsylvania Public Utility Commission  
Commonwealth Keystone Building  
400 North Street  
Harrisburg, PA 17120

Dear Chairman DeFrank:

On behalf of the residents and businesses we represent in Lackawanna County, we respectfully request that the Pennsylvania Public Utility Commission (PUC) hold a public input hearing in Lackawanna County regarding the pending PPL Electric Utilities rate case.

Residents and businesses across our region will be directly affected by the proposed rate changes, and it is critical that they have a fair and convenient opportunity to present their views on the record. Many constituents have expressed concerns about how the proposed increase could impact household budgets and small business operations, and a local hearing would allow the Commission to hear directly from those most affected.

PPL's current filing seeks a significant increase in electric distribution rates that would raise residential customer bills by approximately 3.7%, beginning on December 1st.

Given the potential economic impact on households and small businesses in northeastern Pennsylvania, it is only fair that affected customers have an accessible opportunity to provide testimony and evidence on how the proposal would affect them.

We appreciate your consideration and urge the Commission to provide Lackawanna County residents with a fair opportunity to be heard.

Sincerely,
