SECRETARY'S BUREAU

Dear Secretary Homsher,

On October 27, 2025 we called the PUC phone number that we were given for formal complaints and were told that we had the wrong office. Eventually we were forwarded and reached Susan at the Office of Administrative Law Judge and found out that our Formal Complaint is now in that office. She helped clarify the time line. We informed her that we will be on a trip from November 15-December 5, 2025 and will not be available by phone nor e-mail, but will be reachable after December 5, 2025. We don't want to add frustration to someone's workload by having them attempt to contact us during that time period.

We are open to answer any questions or discuss possible solutions to the problem of the proposal by National Fuel Gas Distribution Corporation to abandon our gas line: Docket # C-2025-3057732 before or after the above dates.

Looking forward to a resolution,

  
David and Melody Haring
