Enclosure  
cc: Certificate of Service

**BEFORE THE  
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

**Application of Columbia Gas of Pennsylvania, Inc. for approval of the alteration of crossing 507756F by the installation of an 8-inch high-density gas line where Second Street crosses, at grade, the tracks of Norfolk Southern Railway located in Charleroi, Washington County** :  
: **Docket No. A-2024-3051600**  
:  
:

**PETITION OF APPLICANT, COLUMBIA GAS OF PENNSYLVANIA, INC.  
FOR LEAVE TO WITHDRAW APPLICATION AND TO TERMINATE PROCEEDING**

Columbia Gas of Pennsylvania, Inc. (“Columbia” or the “Company”) hereby files this Petition, pursuant to 52 Pa. Code § 1.82, requesting that the Pennsylvania Public Utility Commission (“Commission”) issue an Order: (1) granting Columbia leave to withdraw its application in the referenced uncontested matter, and; (2) terminating this matter on the basis that this matter is now moot. In support of its withdrawal request, Columbia states as follows:

**I. HISTORY OF THE PROCEEDING**

1. On October 10, 2024, Columbia filed an Application (“Application”) in which it sought Commission authorization, under Section 2702(a) of the Public Utility Code (66 Pa. C.S. § 2702(a)) to install 8-inch high-density gas line where Second Street crosses, at grade, the tracks of Norfolk Southern Railway located in Charleroi, Washington County.

2. Subsequent to filing of its Application, the Company has determined that it cannot complete the intended installation according to the method described in the approved Application, since there were unmarked utilities in the area such that Columbia was unable to proceed safely.

3. No party has filed a responsive pleading in this matter.

## **II. REQUEST FOR WITHDRAWAL**

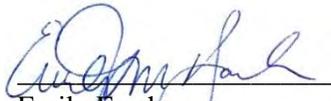

4. Section 1.82 of the Commission's regulations provides that "A party that wishes to terminate an uncontested matter or proceeding before final decision by the Commission or otherwise desires to withdraw a submittal or pleading, shall file a petition for leave to withdraw the appropriate document." 52 Pa. Code § 1.82.

5. As noted in Paragraph 1, above, Columbia submitted its Application pursuant to Section 2702(a). Section 2702(a) requires a public utility to obtain an order from the Commission prior to constructing its facilities across the facilities of another such public utility. Since it has been determined that Columbia cannot complete the crossing in the manner that the Commission Approved, the work cannot be executed at this time. Since the work at issue cannot proceed, the Commission's approval of the crossing is now moot. Accordingly, Columbia requests leave to withdraw its application in this matter, and further requests that the Commission terminate this matter.

**WHEREFORE**, Columbia Gas of Pennsylvania, Inc. requests that the Pennsylvania Public Utility Commission approve this petition and enter an Order:

1. Approving the withdrawal of the Application of Columbia Gas of Pennsylvania, Inc. in the captioned proceeding; and
2. Terminating this matter.

Respectfully submitted,
