**RE: PECO Energy Company – Electric**  
**Generation Supply Adjustment**  
**Effective December 1, 2025**  
**M-2025-3057980**

Dear Mr. Taylor:

The Bureau of Audits has reviewed PECO Energy Company's proposed Supplement No. 15 to Tariff Electric – Pa. P.U.C. No. 8 and the supporting rate computations submitted on October 16, 2025 to become effective on December 1, 2025.

Based upon staff review, it appears that the proposed Generation Supply Adjustment (GSA) 1 and 2 rates, including Time-of-Use, for the six-month period of December 1, 2025 through May 31, 2026 and the GSA-3/4 rates for the three-month period of December 1, 2025 through February 28, 2026, are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The GSA is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3057980.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher  
Secretary
