**RE: Transmission Service Charge  
Effective December 1, 2025  
M-2025-3058264**

Dear Ms. Klock:

The Bureau of Audits has reviewed PPL Electric Utilities Corporation's proposed Supplement No. 403 to Tariff Electric – Pa. P.U.C. No. 201 and the supporting rate computations submitted on October 31, 2025, and revised on November 7, 2025, to become effective on December 1, 2025.

Based upon staff review, it appears that the proposed TSC rates for the twelve-month period of December 1, 2025 through November 30, 2026 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The TSC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3058264.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher  
Secretary
