RE: UGI Utilities, Inc. – Electric Division
Generation Supply Rate
Effective December 1, 2025
M-2025-3058267

Dear Ms. Rogers:

The Bureau of Audits has reviewed UGI Utilities, Inc.'s proposed Supplement No. 87 to Tariff UGI Electric – Pa. P.U.C. No. 6 and the supporting rate computations submitted on October 31, 2025, to become effective on December 1, 2025.

Based upon staff review, it appears that the proposed Generation Supply Rate (GSR) rates for the six-month period of December 1, 2025 to May 31, 2026 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The GSR is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3058267.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
