RE: Continuous Bond with Electric Generation Supplier Language
Yvonne Michel Barnes t/a Travelpros Travel Agency
A-2015-2489288

Dear Ms. Barnes:

Please find under cover of this letter the Bond filed with the Commission on behalf of Yvonne Michel Barnes t/a Travelpros Travel Agency due to multiple issues.

The Commission requires a broker of passengers or broker of property to file a current and active original bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a broker's licensing requirements under Section 39.15 of the Pennsylvania Public Utility Code.

The provided bond is photocopy that does not have a "wet ink" signature or raised seal, and there is no signature indicating that the Principal agrees to the terms of the Bond. Additionally, the bond contains language applicable only to Electric Generation Suppliers and not to Brokers of Passengers. Please see the templates available here under the "Surety Bond" section: <https://www.puc.pa.gov/motor-carrier/insurance/>

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary of the Commission
