**INTERIM ORDER
SETTING BRIEFING SCHEDULE**

Lauren Zonca (Complainant) filed a Formal Complaint (Complaint) with the Pennsylvania Public Utility Commission (Commission) against Metropolitan Edison Company (Respondent or Company) at Docket number C-2023-3041619.

The hearing convened as scheduled and was concluded on October 29, 2025. Upon conclusion of the hearing, the parties were advised that an order would be entered addressing a briefing schedule.

Based upon the evidence presented, the filing of briefs would likely be beneficial in this proceeding but will not be required. However, any main briefs filed in this proceeding shall be provided to the undersigned presiding officer in written and electronic form on or before January 30, 2026. Any reply briefs filed in this proceeding shall be provided to the undersigned presiding officer in written and electronic form on or before February 13, 2026. The electronic form of all briefs shall be submitted to the undersigned presiding officer in WORD format. In addition, the Parties are encouraged but not required to include proposed findings of fact with specific references to the testimony or exhibit, to support each such proposed finding, proposed conclusions of law with the legal citation of the authority to support each such proposal, and proposed ordering paragraphs, in their main briefs. Any argument or discussion should include the specific legal authority and citations thereto to support such argument or discussion.

THEREFORE,

IT IS ORDERED:

1. That the parties may but shall not be required to file briefs in this matter. Any main briefs filed shall also be provided to the undersigned presiding officer in written and electronic form on or before January 30, 2026, and any reply briefs filed in this proceeding shall be provided to the undersigned presiding officer in written and electronic form on or before February 13, 2026. The electronic form of the briefs shall be submitted to the undersigned presiding officer in WORD format. In addition, all briefs should include proposed findings of fact with specific references to the testimony or exhibit, to support each such proposed finding, proposed conclusions of law with the legal citation of the authority to support each such proposal, and proposed ordering paragraphs. Any argument or discussion should include the specific legal authority and citations thereto to support such argument or discussion. The failure to comply with these provisions may result in the failure to consider the brief filed by the non-compliant party.
