Dear Secretary Homsher:

Enclosed are the responses of The York Water Company (“York Water”) to the Pennsylvania Public Utility Commission’s (“Commission”) Bureau of Technical Utility Services’ (“TUS”) Data Request – Set II (**CONFIDENTIAL**) in the above-captioned proceeding.

York Water notes that these responses contain **CONFIDENTIAL** and **PROPRIETARY** information and are being uploaded separately to the Commission’s ShareFile folder for confidential filings. A copy of the **CONFIDENTIAL** responses is being provided to James Kennedy at the Bureau of Technical Utility Services.

York Water requests that the responses, which have been labeled **CONFIDENTIAL**, be given confidential treatment by the Commission, including its various offices and bureaus. That is, York Water requests that the confidential materials be excluded from the Commission’s public document folder and that the confidential copies not be disclosed to the public.

If there are any questions concerning this matter, please contact me at the addresses or telephone numbers provided above.
