A-2023-3040997

TO ALL PARTIES OF RECORD

Application of the Pennsylvania Department of Transportation for approval of the suspension of the public crossing (DOT 148 682 Y) where State Route 4017 (Shaffer Road) crosses, at grade, the former track of Buffalo & Pittsburgh Railroad, Incorporated located in Sandy Township, Clearfield County.

To Whom It May Concern:

By Secretarial Letter dated February 9, 2024, the Commission affirmed work previously completed at the crossing, directed additional work required to suspend the crossing, allocated project costs, and assigned future maintenance responsibilities at the subject suspended crossing.

On October 2, 2025, the Pennsylvania Department of Transportation (Department) notified a Commission staff engineer via telephone that all work at the subject crossing had been completed. Following notification by the Department a final inspection was arranged by a Commission staff engineer and held on October 28, 2025, where it was determined that all work had been satisfactorily completed.

No party present at the final inspection stated they were seeking any reimbursement for costs it incurred on the project. We have carefully reviewed the record of this proceeding and find that all outstanding matters have been satisfied by the parties.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that since all work has been satisfactorily completed, the record in this proceeding be "CLOSED."

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered.
