RE: RIEMER NATURAL GAS LLC AFFILIATE AGREEMENT

Dear Secretary Homsher:

This letter provides supplemental information regarding the filed revised Affiliate Agreement between Riemer Natural Gas LLC and SME Well Services LLC (G-2017-2602166).

There are several reasons for the shift of supply from the backup supplier (Peoples Gas) to the primary supplier (SME, an affiliate of Riemer Natural Gas). Since 2017 the SME production system has improved deliverability to the Riemer distribution system. The increased capability better manages consumption and price volatility for Riemer and provides for reliable supply. The increase of supply procurement to SME is more in alignment with the supply mix for Riemer's distribution affiliate, Herman Oil & Gas LLC.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact me.

Regards,

James L. Crist, P.E.
