Memo:

To: Secretary of PUC
From: Deborah L. McDonough
Date: November 3, 2025
Re: Response to PECO Energy Company NEW MATTER

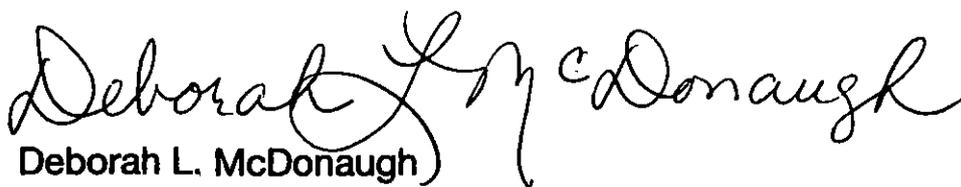

Docket number-C-2025-3057903

Addressing NEW MATTER

4. Denied.

“The Complainant requests that PECO fix its infrastructure stop surges from occurring (*this part of the sentence is true*) and also request that PECO not deny her claim for damages.” (*I did not state this and is false*)

Again, I want to feel safe in my own home without fear.
