**INTERIM ORDER
DIRECTING LATE-FILED EXHIBITS**

A hearing was held in the above-captioned matter on November 21, 2025. At the conclusion of the hearing I directed the Respondent, FirstEnergy to serve a copy of the company’s tariff provisions which define company-owned and customer-owned equipment. I also agreed to provide the Complaint, Mr. Dahman, with an opportunity to provide copies of certain bills. This order memorializes my instructions to the parties at the conclusion of the hearing.

THEREFORE

IT IS ORDERED:

1. That on or before December 5, 2025, FirstEnergy shall serve a copy of relevant tariff provisions identified as FE PA Exhibit No. 4.
2. That on or before December 5, 2025, Joshua Dahman shall serve copies of certain bills referenced in his testimony identified as Complainant Ex. 1.
3. That any party wishing to object to the admission of late exhibits shall file written objections explaining the basis for that party’s objection on or before December 15, 2025.

4. That any party may request an additional hearing in writing on or before December 15, 2025. Any request for a further hearing shall include a summary of the additional testimony and exhibits the requesting party proposes to offer.

5. Following receipt of each party's late-filed exhibits and consideration of any objections to those exhibits, I will issue a further order ruling on the admission of those exhibits.

6. That the parties are reminded that Commission policy encourages settlement and that they are encouraged to continue to communicate with each other in an attempt to resolve their dispute.
