**RE: Citizens' Electric Company of Lewisburg  
Generation Supply Service Rate  
Effective December 1, 2025  
M-2025-3058021**

Dear Mr. Bakare:

The Bureau of Audits has reviewed Citizens' Electric Company of Lewisburg's proposed Supplement No. 174 to Tariff Electric – Pa. P.U.C. No. 14 and the supporting rate computations submitted on October 17, 2025, and revised on November 7, 2025 and November 14, 2025, to become effective on December 1, 2025.

Based upon staff review, it appears that the proposed Generation Supply Service Rates for the six-month period of December 1, 2025 through May 31, 2026 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The Generation Supply Service Rate is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3058021.

Sincerely,  
  
Matthew L. Homsher  
Secretary
