TO ALL PARTIES OF RECORD

Application of the Department of Transportation of the Commonwealth of Pennsylvania for approval to alter the public grade-separated crossing (DOT 501 678 F) by pavement widening, installation of concrete barrier guiderail, and the construction of a 10 foot wide multi-use trail where Adams Avenue (SR 1007) crosses below-grade, the tracks of National Railroad Passenger Corporation (AMTRAK) in the City of Philadelphia, Philadelphia County; and the allocation of costs incident thereto.

To Whom It May Concern:

A final inspection conducted by a Commission staff engineer on November 20, 2025, revealed that work has been satisfactorily completed and in accordance with the Commission's Secretarial Letter dated November 8, 2016.

We have carefully reviewed the record in this proceeding and are of the opinion that a public hearing is not necessary inasmuch as all work has been satisfactorily completed and the affected parties of record have not requested or petitioned the Commission for a hearing for any unresolved issues or final allocation of maintenance responsibilities and costs incurred by the project.

The Commission thereby issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code and finds that since all physical work has been completed, the case be "CLOSED."

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.

All formal documents must be filed with the Secretary of the Commission. Documents must be eFiled, mailed or hand delivered. All filings should be addressed to the Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120. The Commission will not accept documents delivered by fax or by e-mail. Parties are encouraged to file formal documents by eFiling with the Secretary of the Commission by opening an eFiling account through the Commission's website (the account is free of charge) and accepting eService at <https://www.puc.pa.gov/filing-resources/efiling/>.

If your filing contains confidential material, you are required to file by overnight delivery to ensure the timely filing of your submission. There are certain filings that cannot be eFiled, such as filings containing confidential or proprietary material. These must be submitted to the Secretary by overnight delivery, priority or certified mail to allow tracking of your filing.

If you are dissatisfied with the resolution of this matter, you may, as set forth in 52 Pa. Code §§ 1.31 and 5.44, file a Petition for Reconsideration from Staff Action (Petition) with the Commission within twenty (20) days of the date of this letter. The Petition shall be eFiled with the Secretary of the Commission or sent to: Secretary, PA Public Utility Commission, 400 North Street, Harrisburg, PA 17120, and must be filed within twenty (20) days, or if no timely request is made, the action will be deemed to be a final action of the Commission.

The Petition MUST include: (1) a written statement (divided into numbered paragraphs) outlining the reasons for the request; (2) the case docket number (it is provided for you at the top right-hand corner of this letter); (3) the party on whose behalf the petition is made; (4) a Certificate of Service on the other parties of record; and (5) a Verification with original signature in accordance with 52 Pa. Code § 1.36.

Sincerely,

A handwritten signature in black ink, appearing to read "Matthew L. Homsher". The signature is fluid and cursive, with the first name "Matthew" being the most prominent part.
