RE: Bond Rider
Dynergy Energy Services (East) LLC
A-2010-2199236

Dear Maribel Salas:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Dynergy Energy Services (East) LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The enclosed financial instrument has an incorrect effective date. The Bond Rider must be effective on Dynergy Energy Services (East) LLC 's current financial security expiration/anniversary date of 3/24/26.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
